

School Levy, 4 Persons Hurt Budget In Unusual Traffic Venice Are Mishaps This Week

Board Adopts \$774,085
1961-62 Appropriation,
\$591,168 Tax Measure

The Venice board of education Tuesday night adopted a 1961-62 school district budget of \$774,085 and a 1961 levy of \$591,168, with both figures showing sizeable increases over their counterparts of last year.

The new budget is \$117,806 higher than last year's \$656,279, due in great part to the creation of a separate working cash fund of \$97,279, established for the first time under a new accounting system.

At the same time, the 1961 levy figures adopted Tuesday, \$591,168—up \$41,200 from the 1960 figure of \$549,968. The district last year's levy was \$549,968, which was the estimated income figure for the coming year, excluding present cash balances in some funds.

Total Tax Rate \$1.08

The 1961 levy, if the district's assessed valuation remains stable, will result in a tax rate for educational purposes of \$1.08 per \$100 assessed valuation, and a total rate for school purposes of \$1.585, school officials said.

Income from 1961 levies, based on a 95 percent collection basis, is estimated at \$674,000 for transportation, \$423,460 for education, \$760,000 for municipal retirement, \$71,718 for building, \$10,000 for working cash and \$71,500 for bonds and interest.

\$72,000 Pay Hikes

Changes of pay in the 1961-62 budget include salary increases totaling \$310 for administrative personnel, \$20,688 earmarked for teacher pay increases and \$588 for custodians. Actual change listed under administration is \$113,493, due to revision of budget departments.

The total transportation fund budget showed a decrease of \$35,000 since the district plans no bus purchases this year.

The working cash fund is a new fund containing \$97,279, to be used chiefly as a source of funds to other funds.

The bond issue fund showed an increase of over \$10,000, due to the planned retirement of a loan to the working cash fund.

Budget Breakdown

A breakdown of the adopted 1961-62 budget, showing increases or decreases in comparison with last year's budget, follows:

Educational fund—administration: salaries \$30,043, up \$13,493; contractual services \$5890, up \$100; supplies and stationery \$1500, down \$250; other (telephone, travel, census, dues, election, postage and other miscellaneous expense) \$6805, down \$8395. Total administration \$44,148, up \$4948.

Instruction: salaries \$300,000, up \$20,688; teaching supplies \$11,000, up \$200; textbooks \$8500, up \$500; library and audiovisual aids \$3250, down \$250; other (driver training, music, athletics, band and music, night school and home economics) \$15,850, down \$13,225. Total instruction \$399,203, up \$8711.

Attendance: salaries \$1600, same; health; salaries and fees \$3900, down \$600.

Operation of plant: contractual services \$5000, up \$500; custodial supplies \$4500, up \$1500; heating \$15,500, down \$1150; utilities \$10,000, same. Total operation \$23,500, up \$850.

Maintenance: contractual services \$2000, down \$500.

Fixed charges: employee retirement and welfare fund, down \$2598; insurance and fidelity bonds \$2800, down \$200. Total \$11,398, down \$498.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Robert Pope, 2114 Cleveland Blvd.
Mr. and Mrs. Walter Griffith, 237 North street.
Mr. and Mrs. Orville Rogers, 3272 Franklin avenue.
Mr. and Mrs. Tony Gafford, 2831 Roosevelt street.

BOYS

Mr. and Mrs. Jerry Foster, Edwardsville.
Mr. and Mrs. Gary Dauch, 1980 Spruce street.
Mr. and Mrs. Hollis Donaldson, 1607 Maple street.
Mr. and Mrs. Francis Uherick, Walnut Ridge, Ark.
Mr. and Mrs. Orin Cappy, 2613 Ash street.

SHAPE OF BRIDGE LANES at the western end of the McKinley Bridge is apparent in this view of construction work. All traffic has been routed over the eastbound lanes at the far right during installation of curbs and grading work and paving. This view is to the east from Ninth street, St. Louis. Crushed stone has been applied and blacktopping is planned next week.

McKinley Traffic Rising As Repair Work Nears End

All traffic records were smashed during August as the widened and resurfaced McKinley Bridge attracted 394,657 major vehicle crossings, a monthly report by the city of St. Louis showed.

The 394,657 total and 12,731 daily average represented new highs, as did the 15,483 one-day tally reached on Monday, Aug. 28.

And the previously weekly record of 86,251 set July 13-21 was broken, with new marks set during each week of August—\$7,808 on Aug. 1-7; \$7,473 on Aug. 8-14; \$8,420 on Aug. 15-21; and \$9,328 on Aug. 22-28. Complete for the month, 42,217 vehicles crossed during the Aug. 29-31 period.

For the current fiscal year of 1961, 1,960, to Sept. 30, 1961, the 11-month tabulation is 3,372,222, assuring that the 4,000,000 level will be reached for the first time. Only 242,778 crossings would be needed to reach this month, and the monthly average this year has been 341,565.

Renovation of the bridge, purchased by the city on Nov. 21, 1958, has not yet been completed but is in the final weeks. Remaining work involves installation of new entry lanes on the western approach in Missouri.

Traffic totaled 3,278,213 in the abbreviated initial year of 10 months and 10 days, and reached 3,971,579 in 1959-60, second fiscal year.

The August traffic of 394,657 compares with 346,302 in August 1960 and 327,208 in August 1959.

Repair Work Starts Along 18th Street

Track removal and resurfacing of 18th street between Madison and State street was started Tuesday by the city of St. Louis. The work was done by the city's contractor, which was awarded the \$10,000 contract by the city council.

The two-block section slated for repair was barricaded Tuesday and a spokesman for the firm said track removal and concrete replacement would be completed in 10 working days. He added that a delay may be encountered in resurfacing the roadway with asphalt, a portion of the project to be handled by a subcontractor.

Under the contract, old Illinois Terminal Railroad trolley tracks are to be removed and the middle of the street paved with concrete, broken concrete replaced and an asphalt surface applied.

1 DAY WITHOUT QUAD-CITY TRAFFIC DEATH

Davis-Warfield Feud Ignored By Council

A political dispute between Mayor Davis and Supt. of Streets William Warfield over control of the street department failed to reach the floor during Tuesday evening's three-hour council session.

Under the communications section at the top of the meeting, use departing from the agenda, Alderman Charles Skubish asked that a letter be read from Alderwoman Mrs. Gabrielle Bettine, who was out of the city and was unable to be present for the session.

Mayor Davis asked to see the letter and told Skubish, "There's no use departing from the agenda." As Skubish began to protest and ask for a vote of the council, the mayor said the letter could be presented during the proper committee report or at the end of the meeting under new business.

He again asked to see the letter and it was given to him by Skubish. Mayor Davis glanced at the letter and then told Skubish, "There's no breaking into the agenda at this time."

Skubish then proceeded with the order by which he was to address the council. He told the meeting to go to work. The meeting proceeded to 11:04 p.m. when the mayor's action of taking over the operation of the street department.

Formal Request Made

Levee Board Aid For Sewers Here Hinges On Fund Study

A formal request for East Side Levee District participation in a multi-million dollar storm water drainage project for Granite City was made to the district's board of trustees at the monthly meeting yesterday.

Meyer Quits City Traffic Committee

Ticked over a vote by Mayor Davis which killed a proposal for alternate, one-side parking on two-way north and south streets, Alderman Charles Meyer told Granite City council members Tuesday he was quitting the chairman's post on the Traffic Committee to devote his time to his duties as Seventh Ward representative.

Meyer's declaration came at 10:30 p.m. just as a sonic boom rattled the city hall windows, and the monthly average for the month, 42,217 vehicles crossed during the Aug. 29-31 period.

Renovation of the bridge, purchased by the city on Nov. 21, 1958, has not yet been completed but is in the final weeks. Remaining work involves installation of new entry lanes on the western approach in Missouri.

Traffic totaled 3,278,213 in the abbreviated initial year of 10 months and 10 days, and reached 3,971,579 in 1959-60, second fiscal year.

The August traffic of 394,657 compares with 346,302 in August 1960 and 327,208 in August 1959.

August Births New High; 8-Month Figures Down

August's 135 births in the Quad-City area was the highest for the year and was highest for the eighth month of the year since August 1957 when 139 births were recorded. Last month's figure was 125, the highest since July of 1959 when the storm made 138 trips to the area.

Other vital statistics recorded last month were 25 stillbirths and 32 deaths according to Granite City Clerk A. Stevens. Both of these totals are about average for this year.

Despite last month's noted increase in births, this year's eighth month total for births is below that for the previous 12 months for the same periods of time. This year's 875 births, to date, is below last year's 915 and below the 1959 eighth-month total.

A breakdown of the 1961 vital statistics to date follows, listing by this time in preparation for large gains in October and November according to past records. The figures include the set the year's low in month totals.

Births showed drop off slightly in this time in preparation for large gains in October and November according to past records. The figures include the set the year's low in month totals.

UF Drive Kickoff Set For Oct. 17

Tuesday, Oct. 17, was set as the United Fund campaign kickoff date yesterday afternoon at a campaign chairman meeting of the city's United Fund office in Granite City.

Sidney L. Aubrey, general campaign chairman, presided at the meeting attended by 10 campaign leaders. First action taken by the group was adoption of a campaign slogan, schedule and set the kickoff date and the expected closing date two weeks later on Tuesday, Oct. 31. The group discussed the possibility of opening the drive with a parade of UF articles paid public air, but the decision was tabled for a later meeting.

Campaign organizational revisions from prior years were explained to those present. Chief changes were developing a municipal units division which will include the Granite City employees, and the public air campaign units. The three groups were formerly in the same division.

Another change was a separate division for employees of so-called "public air" units included in the United Fund.

In other business, Carl Bacon, chairman of the public air committee, announced that he will be recruiting committee members to lead the drive.

Editor of The Mill (Granite City) Street Company's employee publication, the committee chairman of last year's drive, revised steps already taken and pointed to a series of UF articles paid public air, but the decision was tabled for a later meeting.

\$1,166,371 GC Tax Levy Approved By Council

Propose 2nd Attorney For City And Salary For Building Inspector

Without comment and without a change, Granite City council members adopted a record tax levy of \$1,166,371 which is expected to boost the city's tax rate next year by 11 to 12 cents per \$100 assessed valuation.

In other action Tuesday night, the council authorized preparation of an ordinance to place the city building inspector on salary and provide him with a compact car and to establish the office of corporation counselor to give the city two part-time attorneys.

The tax levy, up \$231,614 over last year's, had been placed on first reading last week and was approved Tuesday night by a vote of 13-2, with Alderman Cammer Skubish and Samuel J. Bettine voting against. Alderwoman Mrs. Gabrielle Bettine was absent.

Pig Hunt For Sewers

Largest increase in the levy was \$82,000 for maintenance of sewers, up \$57,000 from the \$25,000 levied last year. The city has virtually depleted its sales tax reserve paying for sewer repair work in the Nankooki area and along 20th street.

The new \$1,166,371 tax levy is based on a \$1,800,549 budget for operating the city, but is not to be collected until next summer. The city's new tax rate will not be determined until after the board of review adjusts the local assessment of \$147,494.76 and the state sets assessment figures for railroad property. It is likely the rate might jump to 78 to 80 cents from the 67-cent rate for 1960-61.

The city budget was adjusted in July to include several months' salary for a second attorney. The legal department appropriation is up \$3,300 to total \$10,235.

\$7200 Salary Proposed

In line with the Southern Illinois University government study report, Alderman Albert Wier, chairman of the personnel committee, recommended preparation of an ordinance setting a salary for the city building inspector at the rate of \$7200, and the city furnish him with a compact car.

"Wier pointed out the salary would be the same as the city building inspector in the city, and that the amount was available in the \$7000 budget item set up in the fire department appropriation. The salary would be prorated for the time in office during the fiscal year."

The inspector, Earl Bloomquist, now receives 50% of building permit fees collected by the city and his annual pay has ranged from \$6000 to \$8000 according to the city furnishing gasoline for the inspector's personal car, Wier explained.

Alderman Walter Noon said the salary should be closer to \$6000 a year, which schedule would set the kickoff date and the expected closing date two weeks later on Tuesday, Oct. 31. The group discussed the possibility of opening the drive with a parade of UF articles paid public air, but the decision was tabled for a later meeting.

Campaign organizational revisions from prior years were explained to those present. Chief changes were developing a municipal units division which will include the Granite City employees, and the public air campaign units. The three groups were formerly in the same division.

Another change was a separate division for employees of so-called "public air" units included in the United Fund.

Police Predict 75 Accidents This Month

A prediction that 75 traffic accidents will occur in Granite City this month was announced today by the police department records section.

The September estimate is under the forecast of 80 traffic mishaps in August when 68 actually were reported.

The prediction is made each month in an effort to advise motorists of the 27 to 30 accidents occurring each day in Granite City. Twenty-nine persons were hurt in local crashes last month.

Driver Dies 18 Days After Auto Struck Tree Here

The Quad-Cities' 1961 traffic death toll rose to 22—eight more than the 14 recorded during the same period in 1960—with the death Tuesday of Lloyd M. Shanefelt, 61, Belleville. He was injured in a Mitchell crash at 1:15 a.m. Friday, Aug. 18, at St. Elizabeth's hospital, Belleville, passed away at the Jewish Hospital, St. Louis, where he had been a patient since the accident. An inquest is planned.

He had suffered severe chest contusions and multiple lacerations to the face, left arm and left leg, but was out of control, left the pavement of the road.

Quad-City Enrollment At Record 17,000

As had been expected, Quad-City public and parochial school children have surpassed the 17,000 level for the 1961-62 term. Enrollment was tallied at a staggering 17,247 today.

A Press-Record survey showed slight drop in first grade pupils, 1723, compared to 1778 a year ago. But kindergarten enrollment, not mandatory, increased from 1493 last year to 1653, involving a bumper crop of new first graders next year.

The 17,247 count compares with 16,567 at a similar point last fall. Of the net gain of 687, high school sophomores reflect the largest increase. New tenth graders number 1063, up 187 from last year's 876.

Quad-City public schools, which total 29—report 15,373 students, or 661 more than the 14,712 in the early September of 1960. The six parochial schools list 1874, or 26 more than the 1848 a year ago.

Students in Quad-City high schools number 3583, compared 3237 last year for a hike of 346. It is expected that high school graduating classes in the 600 to 500 range will increase to more than 1000 students in a few years.

Kindergarten To Eighth

A total of 13,664 students are enrolled from kindergarten through the eighth grade this year, 341 more than in 1960, 13,323 were reported. Grades one through eight list 12,011, compared to 11,839—a 172 student increase.

The current total for the 19 Granite City public schools is 15,373, up 661 from the 14,712 in the early September of 1960. The six parochial schools list 1874, or 26 more than the 1848 a year ago.

GC Plans To Clean Old Cemetery

City street department workers are to be sent on a cleanup expedition into the old cemetery in East Granite near Kirkpatrick Homes to cut the nine-foot weeds and remove dangerous trees, Mayor Davis said during Tuesday night's council session upon receiving authority from the aldermen.

Graves in the cemetery are not to be disturbed, but all debris is to be hauled away, the mayor added. The action was taken after an appeal by Alderman Samuel Shackelford, who said he was being swamped with complaints. The mayor said he also has been getting complaints of "old going-on" in the weed patches in the cemetery.

"With your permission," he said, "I instruct my street department to clean out the cemetery."

Alderman Donald Parney pointed out the cleanup would be temporary, but the City Planning Commission is considering a permanent remedy with possible relocation of the cemetery through application for federal funds under the Urban Renewal and Development program.

The council also voted to continue the city-wide weed cutting program, even though the \$2000 allocated for the job has been spent. Mayor Davis said that funds would be made available as was done last year when the allotted amount was depleted.

THE "GOOD OLD DAYS" VS. TODAY'S PRESCRIPTION PRICE

In the old days, when you were hit with a serious illness, you might spend only a dollar for a prescription... but you were likely in bed for three costly weeks, had six visits from the doctor, lost a month's wages, took a whole assortment of other medicines, too. Was that cheap? Today, thanks to new drug discoveries, you need perhaps one visit from the doctor, fever's down in hours, you're out of bed in a couple of days, back on the job in a week. Today's prescription costs you more, yes... and isn't it a bargain!

Sharp Increase In GC Relief Cases; Decline Expected

A large increase in relief cases in Granite City was reported for August at the office of Township Supervisor Nelson Hagauer. It was explained that while employment is on an upward trend, unemployment compensation had run out for many Granite Cityans last month.

A drop in relief cases already is indicated for September, the staff reported today.

During August there were 121 cases with 442 individuals and costs of \$7457, as compared to July totals of 109 cases, 398 persons and costs of \$8180. In August 1959, the relief statistics were 38 cases with 103 persons and costs of \$3325.

Total relief costs for the township during the current fiscal year amount to \$39,766 as compared to \$19,637 during the same period last year.

More Data Sought On Relief Reports

Township relief and town fund reports in more detail are being requested by Granite City council members, who as the town board of auditors pass on township expenditures.

Each council member will be provided with a copy of township expenditures instead of just totals, it was reported by Alderman Paul Rutledge, chairman of the Finance committee, prior to a debate over listing of relief names and allocations.

Alderman Walter Nann called for detailed information on each relief case, but his motion lost following a rebuttal by Alderman Samuel Whitmer, who said he did not believe names of relief recipients should be furnished council members.

"Tongues wag, you know," Whitmer said, "and we aldermen shouldn't be responsible for any possibility of embarrassing persons on relief."

No decision was reached.

Jewish New Year, Rosh Hashana, Begins Sunday

Celebration of Rosh Hashana, the Jewish New Year, begins at sundown Sunday, commencing at 7:30 p.m. Wednesday against a backdrop of prayer and reflection for Jews throughout the world which is climaxed by Yom Kippur, the Day of Atonement, Sept. 20.

Local Jewish worshippers this year will join the Agudas Achaim Temple of East St. Louis for observance of the event, with services scheduled for both Rosh Hashana and Yom Kippur in the new synagogue and community center at 425 North 88th street here.

The coming of the new year—this one is 5722 by Jewish tradition—annually marks the Jews' most solemn season of worship. Rosh Hashana is observed by Orthodox and Conservative Jews for two days, and by Reform Jews for one day.

Stop Sign Charges

Charges of passing a stop sign were filed by Madison police at 9 p.m. Wednesday against a motorcyclist, Jerry Cox, 24, of 4720 Vincent avenue at Seventh street and Alton avenue, and at 10:30 p.m. Wednesday against a motorist, Benjamin McMillan, 2708 Ruth avenue, on Madison avenue at Third street. Each posted an operator's license and was released until a hearing Saturday.

All Jews, however, observe Yom Kippur, which begins at sundown Sept. 19, as a day of prayer and supplication and a time for re-evaluation of life and interpretation of God's commandments.

During Yom Kippur, which ends at sundown Sept. 20, the period of Jewish faith must neither eat nor drink, must not work or in any other way break the solemn period of worship and penitence.

would be as conscientious in collecting the building fees on a salary as is now done on a fee basis.

Need for a salaried inspector was stressed by Alderman Charles Meyer, who said the officer could also inspect all work in subdivisions for conformity with city regulations, including curb and street work. "We've been trying to get something like this for years. Why, there's a new subdivision in my ward where the city recently spent \$1000 to replace broken sections of sidewalk that had been installed for only a year."

Parents Of Daughter

Mr. and Mrs. Robert Jaffee, 3228 Ridgeway avenue, are announcing the birth of a daughter, Kellie Lynn, Sept. 3 at St. Elizabeth Hospital. She has a sister, Dixie, and three brothers, Steven, Danny and Mark.

Tavern Loop Playoffs Are Scheduled

Games to determine final placement of four Tavern Softball league teams for playoff pairings are scheduled for 7 p.m. Tuesday evening, League Secretary Bob Dant said this morning.
At 5:30 p.m. in Lee Park, Sportsman's Club and Polish Hall will tangle to break a tie for second place. Both have 14-4 records.
At 7 p.m. tomorrow, Cotton's and Home of the Blues are scheduled on the Second street diamond in Madison in a game deciding which team will be the league's eighth place finisher. A spot in the post-season playoffs is at stake.

Sunday's Pairings

These playoffs are scheduled to begin Sunday at 10:30 a.m. on four softball diamonds throughout the Quad-Cities.
League champion Bowland will play sixth-place Club Delmar at Lee Park, the loser of the Sportsman's Club-Polish Hall game will face seventh-place Jolly Mill at Wilson Park, No. 4 team Jug's Hideaway is scheduled against fifth-place Millie & Mickey's at 12th street, and the Polish Hall-Sportsman's winner will tangle with the survivor of the Cotton's-Blues game at Third street.

The following Sunday, Sept. 17, semifinal games will be played at Lee Park and Wilson Park. Winners then will advance to the playoff finals at Lee Park Sunday, Sept. 24.
Sportsman's Club is defending playoff titlist.

HANDICAP 'A' LEAGUE
BOWLAND, WEDNESDAY
Kroyce's Market 3, Bob's Auto Trim 0; Luna Cafe 3, Senate Tap Room 0; V. O. 2, Greves 1; Schlitz Beer 2, Vendall 1.
Polish Hall-Sportsman's winner, Floyd Williams 203, 204, Arlie Mercer 222, Sid Strothel 212, Al Knechtel 211.

Radio, More Training Planned By Madison CD

Local funds have been allocated for purchase of additional point-to-point civil defense radio equipment, Mayor Stephen Marras told Madison CD staff members during a planning meeting last night at the headquarters in the Madison recreation center.
Matching funds are provided by the federal government when the defense program meets all requirements.

Classes in radioactivity detection and in general, advanced and instructional first-aid were planned, along with accelerated welfare, firefighting, police, health and communications efforts.

Auxiliary police are being increased in number and are to receive traffic training, plus possibly jodo training. Shelter construction is to be emphasized, and Director Harry R. Johnson will report to the national CD office in Battle Creek, Mich., later this month for further training courses.

Burning Trailer of Magnesium Subsidies

The truckload of magnesium which flared Sunday evening and continued to smolder through Tuesday morning on Route 111 about 200 feet north of Bypass 60 has subsided.

The splintered remains of the trailer, demolished by the smoldering metal which reached temperatures of over 1000 degrees, were hauled to a Mitchell area garage yesterday. The blazes driven itself out late Tuesday.

Driver Russell Elma, 40, of Tulsa, Okla., was heading west on Bypass 60 when he learned his payload was burning. He turned onto Route 111 to escape heavy traffic.
Mitchell firemen fought the blazes and state troopers directed traffic to the scene. Cause of the mishap was not determined. The trailer was owned by the

Big Green Holds Full Scrimmage Tonight

Madison football candidates will get a taste of rugged contact tonight, Coach Glen "Pick" Pickering has announced a full scrimmage, under the lights, for the Trojans. The practice session is scheduled to start at 7 o'clock.

The squad has been working mostly on offense this week, with the halfbacks being briefed on pass defense.

One minor injury has been reported. George Stuart, Pickering's probable choice for one of the starting tackle positions, has been hampered by a bad leg but is expected to recover fully by the Sept. 15 home opener with Edwardsville.

"Pick" and his assistants, Joe Asperger and Bob Page, have been working around a nucleus of the eight returning lettermen. The returnees from last year's squad, which compiled a 2-5-1 mark, are Sam Dymas, Norm Stigaw, Mickey Gravelle, Ken Garrow, Terry Andrews, Ed Petty, Stuart and Walt Cooper.

Three players will be faced with playing a new position this year. Cooper, who played left end last year, has been working in the backfield; Petty has been switched from quarterback to right halfback; and Dymas from guard to a tackle position.

Pickering has scheduled two practice sessions for Saturday. The morning bout is slated for 9 a.m. and the afternoon drill for 2 p.m.

Magnesium, a metal similar to aluminum in appearance but lighter and stronger, is used in airplane manufacture and in military flares. It burns with an intense and brilliant light.

Murder Indictments Sought For AWOL Pair

Murder indictments are to be sought during the current recall session of the Madison county grand jury against two teenage confessed slayers of a Granite City area service station operator and a railroad employee in Madison county during a cross-country rampage of robbery and murder early last July.

The grand jury was recalled to session at Edwardsville on Tuesday and announcement of the presentation of the case, along with 26 other criminal cases, was made from the office of State's Atty. Dick H. Mudge. Mudge said testimony would be presented by several witnesses against James Douglas Latham, 19, of Mauriceville, Tex., and George Ronald York, 18, in the slayings last June 8 of Martin Drenovac, 69, Granite City area service station operator, and Albert E. Reed, 35, of Litchfield, an employee at railroad yards in Venice.

The two AWOL servicemen who were captured at a roadblock in Utah and subsequently admitted killing seven persons are being held for trial in Kansas for the slayings of another railroad employee. The pair is seeking change of venue, it was learned this week.

Indictments are to be sought here in even custody of the pair could be obtained for possible later trial in this county for the Reed and Drenovac slayings.

Strikes Parked Car

Lee Black, 75, of St. Mao, Ill., was backing out of a parking space in the 1400 block of Niedringhaus avenue at 2 p.m. yesterday when he struck the left front fender of a parked car, police reported. The parked auto belonged to Velma Farrance of 1821 Spring avenue.

Stanley Dancer led Vonkers, N. Y. Raceway harness drivers with 31 victories and \$169,174 in money won during the 1961 spring meeting.

Full-Dress Rehearsal Saturday For Redmen

Granite City high school's football Warriors, with one week remaining before they open the 1961 campaign at Assumption, today are "in the best physical and mental shape of any squad I've had report back," Coach Andy Sullivan reports.

Sullivan, with the largest group of returning lettermen (19) fit for duty since he first took the helm three years ago, is pleased with the competitive battle taking place among line-men looking to earn starting berths against the Pioneers. At the same time, he said he is not happy with the backfield situation, where the picture remains clouded.

QB Candidates
Top candidates for first string signal-calling duties are junior lettermen Bill Lierman and Larry Noblin. Sullivan has just made up his mind yet just which one will get first call, but may get a better idea after the Redmen run through a full-scale scrimmage at 9 a.m. Saturday.

"Lierman is the better runner and Noblin the better ball-handler right now," Sullivan opined. "Their passing ability is about equal, and both can punt. We also plan to use Larry Corey to do some of our kicking."

Corey, a non-letterman who dropped from the squad about mid-season last fall, is making a serious bid for the right end position on both the defensive and offensive platoons, and Sullivan gives the 180-pound senior a good chance to pull it off.

George Taylor's Father Dies in St. Louis

John L. Voltz, 66, St. Louis, step-father of George E. Taylor, 1612 Moro avenue, Granite City, died at 8:10 a.m. today at the Jefferson Barracks Veterans Hospital in Missouri following a long illness.

A retired bartender, Mr. Voltz was a member of World War I War Tower Barracks and Cemetery Mulligan Post 6597 of the Veterans of Foreign Wars, both in St. Louis.
His wife, Maude, preceded him in death in 1950.

Moore Injured

Another prospective first-string end, George Moore, was lost to the squad for an indefinite period when he strained a knee in practice. His absence may be felt, since Sullivan has pulled End Doug Little off the line in an effort to help erase the backfield shortcomings.

Lineman Charles Haug also has moved into the backfield, and is running at a halfback slot. End and letterman Quentin Hoover is getting a shot at the right halfback position. Sullivan adds that four other backfield lettermen — John Allen, Vic Buehler, Ken Berry and Dave Sparks — cannot be counted out.

This afternoon and tomorrow, the Warriors will work principally on setting up defensive patterns against Assumption's ground game.

Granite City PRESS-RECORD

Funeral services will be conducted jointly. Arrangements are given in an obituary column elsewhere in this issue.
Oklahoma has played in nine football bowl games, winning seven and losing two.

Baptists Win, 6-1; Church Loop Playoffs To Continue Tonight

League titlist Madison Baptist advanced to the final playoff round in Granite City park district Church Loop Softball action Tuesday night at Wilson Park with a 6-1 victory over Good Shepherd.

A second playoff game between Bethel Community and Community Heights was rained out, and has been rescheduled at 8:15 this evening. Madison Baptist will meet tonight's winner at 8:15 p.m. Friday for the playoff championship.

On Tuesday night, Good Shepherd scored its lone run in the first inning. Winner Frank Eaves blanked the club the rest of the way, while Madison Baptist was picking up five runs in the bottom of the first.

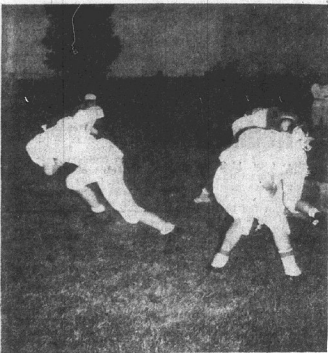

Included in the attack was a home run by Bob Page. The winners added a final marker in the fifth.

Bud Layton gave up 13 hits in absorbing the loss. His battery mate was Duane Hurt, while Charles Stanfill worked behind the plate for Madison Baptist.

UNDER THREATENING SKIES, Madison high school basketball up wing-T offense under watchful eye of head coach Glen Pickering. Trojan linemen also got their first real taste of contact at this Tuesday evening practice, which was halted by rain a few minutes after this picture was taken.

Explorer Rifle Teams To Complete This Fall

Rifle matches for teams from explorer scout posts will be conducted again this year by the National Rifle Association, the Cahokia Mound Boy Scout Council has been advised. Teams will consist of four explorers from a post, and units may enter more than one team. Individual explorers also may participate.

Targets must be shot after Oct. 1, with reports submitted to the association. Awards will be presented to winners in the council, Region Seven and the entire country. Entry blanks are available at the council office in Granite City.

GO TO CHURCH SUNDAY

JOE GRABOSKI, recently acquired by the St. Louis Hawks in a professional basketball trade with the Philadelphia Warriors, is scheduled to appear at Wesley Hall in Niedringhaus Methodist Church Friday night, together with Hawks General Manager Marty Block and Larry Foust. Trio will show films and give outlook concerning forthcoming NBA season in a program beginning at 7:30 p.m., open to the public free of charge.

Moose, McAteer Are Champs

Six I-C Clubs Looking Past Sunday's Final Contests To Post-Schedule Cup Playoffs

It's all over but the shouting—and the post-season playoffs—in the Southwestern Illinois Inter-City Baseball league.

With the two division champions already decided and each of the six playoff berths postions solidly occupied, the I-C teams merely will be going through the motions Sunday afternoon.

Moose Lodge, safely ensconced in the top spot of the Red division, holds a 3½ game lead over second-place Collinsville. McAteer Glass of East St. Louis will not become the official Blue division champion until Sunday afternoon, when it backs into the title with a forfeit win over inactive White City.

One Game Left Enough
The grassen lead runner-up Mercer Funeral Home of Granite City by one slim game, but that is all that is needed at this late date with only Sunday's contests remaining between the must clubs and the race for the governor's cup.

Right now it appears that McAteer Glass, Mercer and Pocahontas will finish in that order in the Blue division; while Moose Lodge, Collinsville and Sacred Heart of Granite City are the clinch 1-2-3 rankers in the Red loop.

The Possible
The remote possibility of a special playoff game between Pocahontas and Carpenter, to determine the Blue division No. 3 team, exists since the Braves have a rain-out game with Troy which would be played only if Carpenter defeats Mercer Sunday while Pocahontas drops its contest at Collinsville.

A game-and-a-half presently separates the two teams. Collinsville, Troy and Maryville also have rain-out dates—all from last Monday—but rescheduling of the games could have no effect on the final ranking of any of the teams, and whether or not league officials will ask that they be gotten into the record books remains to be seen.

AMVET LEAGUE BIG TOP, TUESDAY

Griffith Agency 3, Strayoff 0; State Radio 3, DeWitt Paint 0; Zimmering & Sons 2, Schlitz Beer 1; Surplus Store 2, Pepsi Cola 1.

Hearts At Home

Sunday will be the last time local fans can see the Hearts in action at home, barring their reaching the Red division playoff finals against Moose Lodge. With an 11-10 record at this writing, the Hearts will bow out against the Moose in a game which begins at 2:30 p. m. in Wilson Park.

Mercer, with no chance to catch McAteer, closes the regular campaign on the road. Carpenter, Troy and Maryville bring down the curtain in Maryville, while Pocahontas will look for a victory at home against the Boosters.

The following Sunday, Sept. 17, the Hearts will play at Collinsville in the Red division "sudden death" one-game elimination, while Mercer will tackle Pocahontas—or Carpenter—at Wilson Park in the same type of elimination.

The winners of these games then will advance to another "sudden death" elimination with the division champions, McAteer and Moose, on Sept. 24. Survivors here will begin a final best two-out-of-three series for the president's cup on Oct. 1, with the first game on the Blue division playoff winner's diamond.

ADVERTISE — IT PAYS

Wib Spalding Leads Stock Drivers At Speedway

In a warmup for next week's 150-lap national championship event here, Wib Spalding of Madison pushed his super-modified stock car to victory in a 50-lap feature race last night at the Tri-City Speedway.

Finishing behind Spalding were Dave Hollis of Granite City and Jim Moughon of Springfield, Ill. The races, scheduled for Tuesday evening, were postponed 24 hours due to rain.

Spalding also took firsts in the handicap event for the six fastest cars at the track and in the time trials. Bill Meyer of Wood River and Hollis were the second and third fastest qualifiers of the evening, while Meyer and Spalding won super-modified heat races.

Ferd Moreland copped the amateur class feature event and also a heat race in the same division. Ron Monike won the first amateur warm-up event.

Harvey Nichols of St. Louis was a double winner in the feeder-bender division, taking firsts in the feature event and one heat. Bud Pursley won the second feeder-bender heat.

Next Tuesday's card will be highlighted by a long national championship race for modified cars, with a guaranteed purse of \$2000, of which \$500 will go to the main event winner. A field of 24 cars is expected for the 150-lap marathon.

The Los Angeles Rams scored 466 points during the 1950 season, a National Football League record.

Credit Union Bounces Moose Club; Will Meet Spengler In 'B' Wrapup

Granite City Steel Credit Union bounced league champion Moose Club 272 from the playoffs in the Class B Softball league at Wilson Park last night, scoring an unearned run in the seventh to break up a brilliant pitching duel between Carroll Glisson and Bill Favier.

The Credit Union's 1-0 verdict moved that club into the play-off finals tomorrow night, where it will meet Spengler Insurance, 5-3 victors over Modern Furnace in last night's other elimination game.

Glisson and Favier hooked up in a scoreless pitching battle which lasted through six full innings before the Credit Union's Lynn Cook tripled in the top of the seventh and scored the game's only run. Cook tallied when the Moose batted.

That one unearned run was enough. The Credit Union had a total of four hits, while winners Glisson gave up only three.

James Homers

Bob Jones got Spengler Insurance away to a flying start in the first inning when he tagged an Al Mance pitch for a three-run homer.

Spengler added one run in the

second, but Modern Furnace countered with two in the third. Evans Mank relieved starter and winner Ray Hoffman in the fourth, but Modern Furnace crept to within one run in the fifth before Spengler added the insurance marker in the bottom half of that frame.

Both teams had six hits. Rudy Diak caught for Modern Furnace and Walt Wilson for Spengler Insurance.

Tomorrow's Class B play-off trophy encounter is set for 7 p.m. and will be followed by the play-off finals in the Church league.

Ray, social studies and language arts, Central; Jack Parker, social studies and language arts, Central; Harry Wade, 5th & 6th grades, Webster; Richard Brinkhoff, 5th grade, Wilson; and Carl Henson, mathematics, Central.

3 Charges In Collision

Venue police filed three charges against Neeley Gary, 52, of 1113 Calhoun street at 9:05 p.m. Tuesday after the left front of his auto had struck the right door and right front fender of the car of Lee Roy Trice, 31, Brooklyn, who was pulling away from the curb at 1025 Douglas street. Booked for careless driving, no driver's license and having an open bottle of alcoholic beverage in his car, Gary was released on a property bond to appear Saturday.

First large-scale commercial production of ice cream was at Baltimore, Md., in 1851.

Adult Driver Training Registration Starting

Adults interested in taking driver training under the Granite City school district's adult education program may register tomorrow and on ensuing weekdays between 9 a.m. and 4 p.m. at Room 147, Granite City high school. Classes are still open, but registration will end as soon as they are filled. It was announced this week at the adult education office.

Area Levee Work In Proposed Budget

Levee work in East St. Louis and its vicinity costing \$2,600,000 was among appropriations included in the 1962 Illinois Public Works Budget recently approved by the House Committee on Appropriations, Congressman Melvin Price reported today. The budget goes to the House for consideration on Tuesday and if approved there goes to the Senate. Funds for the following other nearby projects also are provided in the budget: They include \$1,000,000 for Dam 27 on the Mississippi river between St. Louis and Alton; \$1,400,000 for levee work in the Wood River Levee and Drainage District; \$3,500,000 for the Carlyle reservoir and \$25,000 for a flood wall project at New Athens.

First run of the Pony Express took 10 days to cover the nearly 2,000 miles between St. Joseph, Mo., and Sacramento, Calif.

Granite City PRESS-RECORD

MFT Funds Sought To Pave Wabash Avenue Parkway

First step toward paving Wabash avenue between Johnson and Pontoon roads was taken Tuesday night by Granite City council members who adopted a resolution requesting \$100,000 motor fuel tax funds for the work.

The project has been discussed for several years and with the city's recent acquisition of the Wabash Railroad right-of-way, plans call for two 18-foot wide roadways with 28-foot parkway separation. The city hopes to acquire sufficient right-of-way for the one block between Johnson and Pontoon roads.

W. A. Pearson of the city engineering staff said the city has sufficient right-of-way for the remainder of the proposed improvement and would have time to secure the through easement or purchase the stretch between Amos avenue and Pontoon road. While detailed plans have not yet been prepared, the city proposed asphalt surfacing and concrete curbs for the roadways.

Speeding Charge

Arrested and charged with speeding at 11:30 p.m. Tuesday at Pontoon road and North street was David T. Simmons, 18, of 2235 Miracle avenue, who posted his driver's license as bond.

Liquor Bond Approved For Pick-And-Grin Club

A \$2000 bond for a city liquor license to operate the Pick-and-Grin Club at 1801 Spruce street was approved Tuesday night by Granite City council members. Officers of the club, with membership limited to musicians, are Marvin Elmore, 2900 Denver street, president; Adelle Nelson of Poplar street, vice-president; Mrs. Rosetta Elmore, 2900 Denver street, secretary; and Etta Christian, 2262 Delmar avenue.

The club license formerly had been issued to the Mexican Honorary Commission, which also had quarters at 1801 Spruce street, the former Hungarian home.

9 New Street Lights To Be Installed In GC
Nine additional street lights were authorized for installation by Illinois Power Co. during Tuesday night's meeting of the Granite City council.

The lights are to be located at 2200, 2300, 2317 and 2340 Terminal avenue; 2134 Johnson road; 2800 Victory drive; 2800 Roosevelt street; 2221 Bryan avenue and 2730 Harding avenue.

Two Charges Filed
Mrs. Mary A. Hess, 26, of 14 Del Rio avenue, was arrested at 2:35 a.m. Wednesday at Fehling and Namsoski roads on charges of speeding and passing a stop sign. She posted her driver's license as bond and was released, but returned at 8 a.m. and posted \$22 cash bail to regain her license. A hearing has been set for Sept. 9.

Mayor To Seek Bus Routes In Glenview

Another effort will be made by the city for bus service to be extended into the Glenview subdivision area, Mayor Davis reported to Granite City council members Tuesday night. "I'll write to the Illinois Commerce Commission to ask for another hearing since the ladies believe the service should be given at hours other than those set up during the 90-day trial period," the mayor explained. The ICC had ordered Community Coach Co. to provide the service and keep close records during the trial period. At its conclusion, the financial reports of the company showed the route was not profitable, and the bus firm was given permission to drop the service, which was being furnished as extensions to existing routes.

Farmers To Dine With Businessmen Oct. 5

Letters were sent this week to members of the Quad-City Chamber of Commerce informing them of the 16th annual Agriculture-Business-Industry dinner meeting Oct. 5, Howard W. Kaseberg, chairman of the C. of C. agriculture committee, announced today.

Louis R. Howard, dean of the College of Agriculture at the University of Illinois, will be speaker at the dinner expected to attract about 250 persons.

The letters also were to ascertain how many members will attend and how many farmers each member wishes to sponsor. A list of Quad-City trade area farmers is being compiled and letters of invitation will be sent to farmers and their wives later this month.

Purpose of the annual affair is to promote good will between farmers and businessmen. It will be held this year at St. John Evangelical and Reformed Church, 2901 N. Main road, starting at 6:15 p.m.

A United Fund Welfare Agency

Youths Have Home, School At Boys' Town

The local United Fund is made up of 17 agencies whose collective philosophy is that individuals and families should not be deprived of recreational, health and welfare opportunities simply because they cannot afford them.

Each agency has a particular area of service, thus avoiding costly and unneeded duplication and overlapping.

To care for the children of chronic criminals and parents who have proved themselves morally or economically irresponsible, Boys' Town of Illinois is operated as a combination home and school.

Located amid 50 acres of rolling, stream-filled woods and grasslands in Grafton, near Pere Marquette state park, Boys' Town cares for youths until they reach 17 or until their home situation has been corrected.

Sometimes a relative will assume custody or the state will provide other care. But until that time Boys' Town furnishes a home-like environment as any institution can provide. No other local social service has facilities for caring for boys all the year round. And the value of the agency has been growing each year, as the number of

boys calling the site home has been increasing.

Twenty-seven boys stayed at Boys' Town either all or part of last year, with the average number at any one time about 12.

Four were from the Quad-Cities. Directed by Superintendent C. H. McKinney, it has as its principal task the education of children of broken or emotionally disturbed families. Teaching the boys is a former Alton school principal who has had 30 years of teaching experience.

Because the boys' age range is eight to 17, the school is ungraded. Each boy is taught individually.

Besides McKinney and the teacher, the three-building town is staffed by three volunteers for social and athletic training and four social workers. They operate a dormitory, school and office that also doubles as a warehouse and residence for the superintendent and his family.

Without a secretary, McKinney acts as the purchasing agent, contribution solicitor, counselor, bookkeeper, maintenance man and all-round "father" to the boys.

To accomplish Boys' Town's purpose, the youngsters must come to regard it as something other than "a pretty detention home," McKinney says. The boys often carry their parents' problems with them and need individual guidance, he noted.

"The boys have to make it their home," McKinney said. They do most of the maintenance work themselves and raise their own vegetables and poultry. In one part of the main lodge a manual training room has been set up where the boys learn leather, metal and wood work.

The lodge is a two-story ranch-type building with large windows and ample space. In its woodland setting it seems to be taken from a postcard.

In summer the boys have a schedule of chores, outdoor games and hiking during the day and trips into town during the evening in the school bus. In winter, school takes up most of the day, with jobs, games and homework using up the remainder.

Boys' Town is supported by state funds, contributions and allocations from area United Funds and Community Chests. This year the total budget is \$26,500. United Fund contributing \$3100. For 1952 the budget has been set at \$31,450. The U.F. allocation is up 15.1% to \$3600.

Faces Driving Charge

Jerry A. Hall, 20, of 4009 Melrose avenue, was charged with careless driving Tuesday afternoon in the 2500 block of Missouri avenue. He posted his operator's license as bond.

Arrest Four At Tavern

Answering a disturbance report at the Cardinal tavern, 1215 Second street, at 1 a.m. Wednesday, Madison police filed charges against Floyd R. Ellis, 23, of 2429 Dewey avenue; Eldon Eugene Keel, 26, of 1619 Delmar

DISTURBED CITIZEN ASKS QUESTIONS ABOUT BREAKS

To the Editor:
The article titled "Storm water is blamed for breaks" prompted the writing of this letter.

Over six years ago, one house was being built in the Nameoki area when this subdivision was sparsely populated. When the line was underway, our builder found he could not attach to cause all of the pipes at that point were broken up in pieces and Engineer Jeneau and the subdivider were called to the scene to examine the breaks which were repaired before we could join our line to the main line.

The question which comes to my mind now is: Why, if, according to your article this sewer line was put in seven years ago, did this break appear less than a year after installation? Why was the cause of this break not investigated as to whether it was its occurrence, then? If it was ascertained that storm water caused the damaged pipes, there were few enough houses located here to find exactly whose downspout was being connected into the sanitary lines. Why must we wait until vast breaks appear and great damage is done before we enforce an ordinance prohibiting connecting to the sanitary lines? Why must someone report to report that another person is violating a city ordinance before prosecution? Is there not a law-enforcement body who checks to see that city ordinances are not violated? If when this first broken line was found it was not yet ascertained that the storm-water was the cause, were the pipes examined there and in other places to see that they were joined properly or that the-grade of pipes used were of quality material?

We have lived here almost six years and in that length of time the street in front of our house has been repaired numerous times because it was sinking in the same spot under which these broken pipes were mended. After the repair was done twice in a very short period why not dig deeper to find the cause of the sinking then?

INTERESTED TAXPAYER AND CITIZEN

AGENCIES ALSO WILL NOT PAY TAXES, READER SAYS

To the Editor:
I do not agree with your optimistic, "well-to-do" interpretation of the benefits Bi-State and Regional Port District will bring. You say, "quote," Harbor facilities being developed without taxes; but you fail to say also that they will pay no taxes. Yet, they will receive services paid for by public taxes so some where along the line everyone pays more. What we need is industry who will pay it's way.

Granite City Steel facilities were, and continue to be developed without taxes and they pay and always have paid more than their fair share of taxes. Just last year an attempt was made to tax them out of business which could wipe out some 500 jobs now in existence. What about Cargill at Pontoon? They developed their facilities without taxes and they also have been paying their taxes. The Bi-State grain elevator will very likely put them out of business. I don't see how they can pay taxes when their competitor does not. The growth and prosperity of any community is dependent upon private enterprise that pays it's fair share of taxes. No governmental agency in business or otherwise ever does and must live the taxes paid by everyone else. The more of this you have the higher your tax bill will be.

If you can tell industry, move to Granite City and we will guarantee you won't have to pay any taxes, you won't need Bi-State or anything like it. They will all move in. Wanna buy it and see?

Sincerely yours a former resident,
Pat Urban

QUESTIONS SIMON'S SUCCESS IN DEFEATING DIRKSEN

To the Editor:

Can Simon Win the U. S. Senate Seat? Being a 4 Term State Legislator does not qualify him as a Competent Member for the Senate Seat of the Old War Horse Senator Everett Dirksen. It is a fact that When Simon first aspired for the State Legislature he No Doubt Made a Constant Shoe Leather Campaign, but Madison County Covers a small area and a limited Number of Voters.

So My personal advice to Simon In order to Curtail Campaign expenses would be to purchase an Interest In a Shoe Manufacturing Company "that Builds the type of Shoes that he Wears, as Illinois Is a very large State and area.

How Well Is Simon Known when he starts Campaigning outside the area surrounding Madison County?

What has been the success of his Sponsorship and Voting Record in the Illinois Legislature? It Is Very true that Simon Waged a fight In his Troy Tribune against Hoodlums and Gangsterism, so did our local Editor of the Press, but did that qualify him for the U. S. Senate seat of Everett Dirksen?

My opinion Is that With Foreign Relation and World Condi-

PLAN WEBSTER PTA'S FIRST FALL MEETING

The executive board of the Webster school Parent-Teacher Association met Tuesday evening for the September meeting at the school. The president, Mrs. Jo Ross, conducted the meeting.

The school principal, Clyde Lee, explained the operation of the school and told of improvements made during the summer vacation. Principal Lee will be guest speaker for the regular PTA meeting Sept. 12, which will be on school regulations. The theme for the meeting will be "Come and Get Acquainted."

Name tags for each parent will be made, and each teacher will have a table so the classes can sit in groups and become acquainted.

A discussion on the annual snack supper and "spook carnival" in October was held by the board.

Mrs. Dokores Mount, savings stamp chairman, announced that the sale of stamps will be the same as last year, and stamps will go on sale Sept. 26. Ten members took part in the discussion.

State Catching 'Border Jumping' Drivers

Illinois' participation in the National Driver Register Service is benefiting both Illinois and the national program, Secretary of State Charles F. Carpenter said today.

The National Driver Register is designed to detect "border jumpers," motor vehicle drivers whose driver licenses have been revoked or suspended in one state because of convictions for driving while intoxicated or involvement in a fatal accident.

Mrs. WOOD HOSTESS
Mrs. Barbara Wood was hostess to the Jolly Matrons club Tuesday in her home on Route One.

Games were enjoyed, and prizes were awarded to Mrs. Helen Thiele, Mrs. Lottie Oatresh and Mrs. Della Murphy.

Refreshments were served to the above and Mrs. Beulah Ernst, Mrs. Wanda Baker, Mrs. Anna Mae Murphy, Mrs. Margaret Grams, Mrs. Florence Miller, Mrs. Mildred Werner and a guest, Mrs. Florence Tansley.

Mrs. Werner invited the club to her home on Route One in two weeks.

VISIT IN MISSOURI

Mr. and Mrs. Ray Callender, 208 Wilson avenue, returned Monday after spending the weekend in Rolla, Mo., visiting Mrs. Flora Smith, Mrs. Minnie Mitchell, Mr. and Mrs. Charles Haven and Mr. and Mrs. Curt Smith.

Crackdown Nets \$1219 In Delinquent Fines

Recent returns as a result of the Granite City police crackdown on holders of delinquent parking meter tickets shows \$1219 collected from 167 persons, for an average of \$7.30 per person.

A spokesman for the police department said that over 75% of those people holding five or more delinquent tickets have squared their accounts. A promise was made that even those holding one overtime parking ticket would be contacted.

Thus far, the biggest offender to pay up was a man who owed for 194 tickets.

All Can Benefit From Early Adoption Of County Zoning

The fall of 1961 may gain a place in the history of Madison county as the period when final approval was given to county zoning. Proponents of zoning deserve the support of all in their efforts, for all stand to benefit when the way is cleared for orderly growth of local unincorporated areas.

County board members are wise in including zoning funds in their new budget, for both general and specific reasons. Experience elsewhere has shown that basic land controls have increased communities' attractiveness to new industry. And a detailed study of local conditions, facilities, services, sites and related topics has pinpointed the lack of county zoning as the major roadblock to an unprecedented era of growth and prosperity.

The stage is set for the new County Zoning Commission to conduct hearings in Nameoki, Venice, Chouteau and 19 other townships on the tentative draft of a zoning code and ordinance. Information and suggestions obtained at the hearings will enable the plan to be prepared in final form and submitted to the County Board of Supervisors for adoption, at which time the special commission will go out of existence.

With the particular needs of each section taken into account prior to zoning action, the commission composed of a highly-qualified cross-section of county residents—representing farming, residential construction, business, utilities and highway planning—there need be no fear of the result. For the present and future welfare of the Quad-Cities, Madison county and the entire Illinois Metropolitan Area, adoption of county zoning is imperative this year.

Mechanical Brains Invade Music Composing Field

Many scoffed when word came that machines could not only perform assigned tasks but could also, to an extent, reason for themselves. Now mechanical devices have passed through the kindergarten stage and are hard at work on such creative tasks as writing musical compositions.

It was last winter when development of a machine to take the drudgery out of deductive reasoning was announced at Boston College. Intended to free the minds of students of logic for more inspirational work, the "brain" is the handwork of a Jesuit mathematician, who explained that it uses logicians' working propositions similarly to mathematicians' logarithm tables.

The newest process, capable of producing thousands of new songs and sonatas daily, can be adapted to the favorite methods and musical structures of John Philip Sousa, Johann Strauss, George Gershwin or any other musician who wrote a reasonable number of selections. Working at great speed, the machine can produce such a variety of combinations of notes that at least a portion of its creations are regarded as pleasing to the ear.

Machines will never replace teams like Rodgers and Hammerstein, but we have tuned down what might have been a condemnation of carrying automation too far. We must confess that a mechanically-produced composition in the style of Stephen Foster, heard on a network program, was extremely pleasant. Wonder when the machine will begin rhyming "June" with "moon" and put the lyrics out of business?

Too Many Local People Lack Church Affiliation

The value of widespread religious belief to a community and a civilization is almost too immense to assess in a brief discussion. But aside from whatever people and nations stand to gain from it, or sometimes suffer due to it, adherence to God's moral codes is essential because it is right.

This point is among those made by a local pastor in a statistical report on the Quad-Cities. With only 35% church membership, compared to a national average of 60%, this community is far behind in quantity but partially makes up for it with quality—the percentage of members regularly attending church is greater here than nationally.

While it could be inferred that other areas are

merely signing up more church members without making a deep religious impression on them, the extent of the local lag suggests the need for a re-appraisal by Quad-City churches, parents and individuals.

Close identification with the church of one's choice helps further many deserving causes supported by churches, benefits mankind in many intangible ways and enriches and broadens the life of each person. It contributes to the preservation of family life; intensifies the general recognition that men must live under a system of civil law; inspires people to follow high goals; to sacrifice and to value the basic worth and dignity of others; and endows individuals with God's powers of attainment when they are following a path of conduct pleasing to Him.

Church affiliation can be deeply meaningful to Quad-Citizens singly and collectively. Faith in God must not be abandoned or ignored, for no one can be equal to the tasks that lie ahead if he is entirely on his own.

Proposed Budget Review Can Be Of Great Value To City Government

Value of detailed budget preparations is made clear by explanations contained in the Southern Illinois University study of Granite City's municipal organization and operations. Yearly budgeting can afford a helpful period of review and planning of city services, and it can improve the understanding of functions and their costs by officials and employees at all levels. It can serve as a guide to be followed throughout the year.

The study report also notes that planning of future expenses must take account not only of what has been spent in the past but also what revenue will be available. As with an individual family, the amount of money on hand or known to be due plays a big part in determining what should be bought and how much can be afforded.

Another point is that ample time must be allowed for assembling budget information, including studies by department heads of needed programs. The suggested starting time for the 1962-63 budget is next January.

Roca Gold To Install New Officers Tonight

Installation ceremonies for six newly-elected officers of Gold chapter, Roca young men's club, will be held at 7:30 o'clock to night in the "300" room of Big Top Bowl.

The new officers elected by the chapter Tuesday are: Quentin Hoover, president; Pat Wilkins, vice-president; Bob King, secretary; Walter Mathis, treasurer; Dan Browley, honorary chaplain; and Ronald Noneth, sergeant-at-arms.

Tomorrow evening, the chapter will hold a record dance in the "300" room, beginning at 8 p.m. Admission will be 10 cents. Saturday evening a party for members leaving the club to attend college will be given in the home of an active member.

Gold chapter is continuing its fund-raising "world day" projects, with the new club president serving as contact for prospective customers.

Hits Parked Auto

Lester Morgan, 33, of 416 Fleming street, was charged with following too closely Tuesday at 4:45 p.m. after an accident in which he collided with a parked car in the 2200 block of Monroe street while driving north. The parked auto belonged to Otto G. Knochele, 2515 East 23rd street. Morgan posted his driver's license as bond.

City Adds 2.89 Acres For Subdivision

Ordinances annexing and platting Westchester Subdivision Three, being developed on a 2.89-acre tract by Kent Realty Co., was approved Tuesday night by Granite City council members.

Developer Gerald Kent said the tract will include 14 lots for homes. His request for zoning to be changed from R-1 to R-2 was approved by the City Planning Commission, and another ordinance was submitted to the council and approved for the zone change.

Alderman Donald Partney, chairman of the council's Planning committee, told council members that Kent has agreed to extend the pavement along Villa drive to connect it onto Wabash avenue.

Your Governor Reports by OTTO KERNER

Today, Illinois spends hundreds of millions of dollars in public assistance and unemployment compensation. As we become aware of this fact so have we become aware that government must assume leadership in helping to develop our economy if it is going to continue to expand.

For that matter, if we are to have a sound economic climate, the general Assembly must contribute toward making this climate possible. Many of you know of the plight of the distressed counties in the southern area of our state where industry cannot support the workers. In some of these counties, as much as 20 percent of the employables are on the general assistance rolls. To offset this problem, we must fund (and not release) industry, educate, (and in many instances, re-educate) and prepare our jobless for positions in today's complex world.

That is why I recommended legislation creating a Board of Economic Development to replace the old Division of Industrial Planning and Development which had been tucked away for years in the Department of Registration and Education, and which had only very limited powers. The members of the General Assembly passed this legislation. I believe it will result in long-range development and higher economic standards of the State of Illinois.

The Board of Economic Development will provide technical knowledge to assist communities throughout our state. The board will help to correlate economic expansion and to reinforce the image of Illinois as one of the greatest industrial and agricultural states in the nation. It will help to establish new industries, promote and develop water resources for power, conservation and recreation. Thus Illinois will gain in the creation of new jobs and a healthier economic climate.

No longer can we approach our economic future in a haphazard fashion. We must plan for the future today taking cognizance of the needs of our people and preparing now for the generations to follow. Without this preparation, it is possible that the time could come when Illinois would be unable to meet its obligations to its citizens.

This was one of the fundamental reasons for the creation of the Board of Economic Development.

In subsequent reports, I will describe the powers and duties of this board and tell in more detail how I think it will be of benefit to your community.

Best wishes,
OTTO KERNER

Baptist Groups To Open Drive For College Tract

The Madison county, Alton Industrial and East St. Louis Baptist Associations consisting of more than 80 churches and missions have launched a drive to raise \$15,500 to buy a 25.3 acre tract of land adjacent to the proposed Edwardsville campus of Southern Illinois University, according to an announcement today by W. J. Richardson, of this city, superintendent of missions of the Madison County Baptist Association.

The land will serve as the building site for another Chapter of the Bible to be sponsored by the Illinois Baptist State Association.

Sunday, Sept. 10 will be "Kick Day" in the churches and missions in the three Associations and pledges will be taken. Envelopes will be distributed for collection by the Sept. 17 "Victory Day." All contributions will be made to the local churches, by special gifts for this cause, should be mailed to one of the Baptist churches in the three Associations.

* SOCIETY *

Sorority Plans For Convention

Epsilon Sigma Alpha sorority opened the season with a business meeting last night in the home of Mrs. Betty Williams on Lindell Blvd.

The meeting was called to order by the president, Mrs. Joyce Albers, and 17 responded to roll call.

Plans for the convention to be held in St. Louis next month were made and Mrs. Williams, Mrs. Perma Boyer and Miss Betty Buech were selected to enter the "My Fair Lady" contest at the convention. A committee will decide the final candidate.

On the agenda for the coming season, as announced by the program committee, will be a potluck supper, fund-raising projects, and several social events.

After the closing ritual refreshments were served by Mrs. Gerry Mendez and Mrs. Kathy Dehnel. The educational program was canceled.

MRS. MAY McCAULEY IS CLUB HOSTESS

Mrs. May McCauley, 2619 Edison Avenue, was hostess to the GCB club Wednesday afternoon. All of the members attended and after a one o'clock luncheon spent the time at cards with awards going to Mrs. J. Bueche, Mrs. McCauley, Mrs. Dan Seymour and Mrs. John Hartig.

The next meeting will be with Mrs. Lottie Scherzer at the Rose Bowl in two weeks.

GET TOGETHER CLUB

The Get-Together Club met Wednesday with Mrs. Harry Jackson, 2524 Benton street.

After a luncheon, the afternoon was spent at games and awards were made to Mrs. Charles Knecht, Mrs. Sam Kelly and Mrs. Conrad Mueller. The next meeting will be with Mrs. Herbert Bueche, 2224 Lee Avenue.

Garden Club Begins Season

The Garden Study Club was entertained in the home of Mrs. J. J. Braden, 2500 Delmar Avenue Wednesday. Fifteen members and a guest, Mrs. J. R. Farnley, daughter of the hostess, were present at the first fall meeting.

Mrs. John Lehman, president, conducted the meeting following a dessert course and announced several coming events, among them the President's Council Day Sept. 19-20 in Chicago in conjunction with the meeting of the National Council of State Garden Clubs, Inc. composed of seven states, including Illinois, which will be the hostess state, and a semi-annual meeting of Region IV, Sept. 28. Several of the local garden club members are planning to attend the latter meeting.

The hostess, who was in charge of the program, read a paper on "Herbs" and exhibited how herbs had been used in cooking and for medicinal purposes down through the years. She also exhibited fresh and dried specimens and the members answered roll call with favorite herbs and their uses.

The next meeting will be Oct. 4 in the home of Mrs. Abner Branding, 2431 Delmar Avenue.

ATTEND OES GUEST NIGHT IN ALTON

Mrs. Florence Spahr, worthy matron of Granite Chapter 650, Order of Eastern Star, Mr. and Mrs. John Wood and Mrs. Arlene Fox, were in Alton last night attend a guest night party of the Alton Chapter of OES.

Granite Chapter will hold a past matrons and patrons party Friday evening.

CAMPING TRIP

Mr. and Mrs. Homer Anderson and son, James, and daughter, Judy, of Circle drive enjoyed a camping trip over the holiday at Meramec State Park, near Sullivan, Mo.

ADVERTISE — IT PAYS

Burnett Named Salvation Army Board Chairman

Eugene R. Burnett, 2243 Lee Avenue, Dow Metal Products Co. superintendent of security and safety, was elected yesterday as new chairman of the Salvation Army advisory board.

Former Granite City police chief, Burnett has been serving as vice-chairman of the board. He succeeds the late Scott E. Thompson, who was installed as chairman this year and passed away in July.

Elect Johnson, Lynn Harry R. Johnson, Madison postmaster and civil defense director, was elected to succeed Burnett as vice-chairman. Roy M. Lynn of the American State Foundries was chosen as treasurer, succeeding Robert M. Trower, former Venice police chief, who remains a board member.

The actions were taken at a monthly luncheon meeting at the Salvation Army building.

Christmas plans were discussed, and Henry D. Karandjoff, John Solenberger, Johnson and Robert Bicer were named to select a Tree of Lights campaign chairman.

Committee Appointments
The new officers will complete one-year terms ending shortly after the first of the calendar year. Burnett named the following committees:

Executive—Burnett, Johnson, Lynn and Secretary Arthur Harris; finance—Karandjoff, chairman, and Arthur Frazier and Albert Michel; property, George Stearns, chairman, and Fred Schuman and Burnett; public relations, Lynn, chairman, and C. E. Townsend and C. Ward; youth, Irby Todd, chairman, and Harry E. and Harris; welfare, Michel and Claude Echols; and emergency disaster committee, Johnson, chairman, and Burnett and Gerald Broadway.

ENTERS VIRGINIA UNIVERSITY

Donald M. Thompson, son of Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge lane, left this week for Charlottesville, Va., where he will enter the University of Virginia on a national graduate fellowship working toward a masters degree. He graduated last June from Southern Illinois University in Carbondale with an A.B. degree.

MRS. GEORGE PAPAMARKOFF, the former Phyllis Jean Brown, a daughter of Mr. and Mrs. William P. Brown of Madison, who was married Saturday evening at First Baptist Church in Madison.

HOME FROM VACATION

Miss Charlotte Haselwood, 2929 Myrtle Avenue, has returned from a vacation in Fremont and Dallas, Tex. In the latter city she was a guest of her brother-in-law and sister, Mr. and Mrs. Lester Zeiger. She was away two weeks and while in Preopret enjoyed deep sea fishing.

RETURN FROM WEST

Mr. and Mrs. Hughes Blake, 2500 Cleveland Blvd., have just returned from a vacation in Denver, Colo. They were away ten days arriving in Colorado in time for the freak snow storm which lowered the temperature and dumped five inches of snow on the city.

Wrongly Accused

Miss Geraldine M. Polette, 26 at 2613 East 55th street, who was charged with reckless driving July 31 following an accident in which her car struck a utility pole at 15th and State streets, when the accident occurred. She was hospitalized as a result of the collision. Miss Polette charged William E. Showers, 20, Granite City Engineer Depot, with reckless driving and was found guilty Aug. 23 and fined \$50 plus costs.

Cigarette Starts Fire

West Granite station firemen were called to the home of William Bailey, 2847 Harding Blvd., yesterday at 7:20 p. m. to extinguish a fire in a 1950 automobile. Firemen said there was no damage and that the blaze apparently was started by a cigarette on the seat.

BUSINESS WOMEN HOLD MEETING

A business meeting of the Quad-City Business and Professional Women's Club was held last night at the YMCA with Mrs. Verna Lengy, president, in charge.

By-laws were discussed and a new member, Mrs. Mary Batson, was introduced.

The first fall dinner meeting of the club will be held Sept. 20 with Miss Jo Leslie, national security chairman, in charge of the program which will include a film, "Journey Into Space."

Announcement was made of a meeting of Region Nine, B&FW to be held in Edwardsville on Oct. 8.

David Painter, a son of Mr. and Mrs. Ralph Painter of Venice, has returned to Eastern Illinois University in Charleston after attending the International Gamma Delta retreat in Fort Wayne, Ind. The retreat is held annually and attended by students from universities throughout the United States. Painter is publicity chairman of Tri Omega region and a past president of Alpha Mu chapter at Eastern.

Plead Innocent To Fighting Yesterday

Charged by Granite City police with fighting yesterday at 2:35 p. m. in the 2200 block of Cleveland Blvd. were Fred Seifried, 19, of 3121 Ash Avenue, and James Myrick, 35, of 2207 Cleveland.

Both pleaded not guilty in police magistrate court this morning and were released on \$16 cash bonds. Myrick was granted a change of venue to Justice of the Peace Harry Hartman's court, and a hearing was set Sept. 28 for Seifried before Police Magistrate Gueparovic.

VEGETABLES TOPIC OF TRIO UNIT LESSON

Mrs. Ed Schillingler was hostess Tuesday afternoon at a dessert luncheon for the Trio unit of the Madison County Home Bureau at the home of Mrs. Clara Schillingler on Thorngate road.

The hostess, who is also chairman of the unit, presided over the business meeting and announced that the county membership district meeting will be held Sept. 29 at the Eden Church in Edwardsville, beginning at 9:30 a.m. The annual county meeting, which will mark the silver anniversary of the Home Bureau in Madison county, will be held Oct. 24 in Edwardsville.

"Home Safety" was the topic of the health lesson presented by Mrs. William Branding, and Mrs. Clara Schillingler gave the major lesson on "Receipts at Your Fingertips."

A visual demonstration on "Using Green and Yellow Vegetables" was the day's minor lesson, presented by Mrs. Gerald Lux and Mrs. Harold Rapp. The two prepared various vegetables in season and also baked sweet potato cookies, samples of which were distributed.

Games were played, with prizes won by Mrs. Lux and Mrs. John Moser. Others attending the first fall meeting were Mrs. Charles Guth, Mrs. Ervin Schaefer, Mrs. Charles Baugher, Mrs. Ronald Weiss, Mrs. Eugene Short and Mrs. Norman Soechtig.

Mrs. Soechtig will be the hostess at the next meeting Oct. 23 at her home on Rural Route One.

SPEND WEEKEND AT BULL SHOALS

Several local families spent the weekend at Bull Shoals enjoying scuba diving, fishing and swimming, returning late Monday evening. They stayed at the Cactus Ridge in Gainsville and held a fish fry.

Those enjoying the weekend were Mr. and Mrs. William Brannan and children, Billy and Terry, Miss Brenda Sue Reed, Mr. and Mrs. Clifford Blankenship and children, Jim and Joan, Mr. and Mrs. Richard Griffin and daughter, Debby, Mr. and Mrs. Newt Kennedy, Mr. and Mrs. Carl Krohne and children, David and Susie, Mrs. Andrew Parks, Mr. and Mrs. Fernie Griffin and George Theodorakis.

HOME FROM ARMY BASE

Pvt. Richard Hill spent the weekend visiting his parents, Mr. and Mrs. Jack Hill, 1708 Spring avenue. This was his first visit home since entering the Army in July. He is stationed at Fort Leonard Wood, Mo.

RETURNS FROM HOSPITAL

Mrs. Rosalee Hill, 1708 Spring avenue, returned from St. Elizabeth Hospital Sunday. Mrs. Hill had undergone major surgery the previous week and is now recuperating satisfactorily at home.

MORE ABOUT

Davis-Warfield

(Continued from Page 1)

ly vested, elected power from the direct hands of the people. This is the power that is theirs through election. It remains theirs until that power has been changed by another form of government by the people. The next step is up to the aldermen."

Calls On City

The alderman stressed that Granite City, even with some phases of the Southern Illinois University government recommendations approve has not changed its form of government. "This is a good time for everyone to look over exactly what is transpiring in the conduct of

the city government, that is, the right check and balance form. The aldermen cannot, even if they desire to do so, rule out their legislative powers. They cannot retain only the executive branch of the government without having the citizenry vote this action into a new form of government. The citizens have the right of making that choice. There has been no election. No referendum has been held. There is no change.

"The citizens of Granite City have elected a superintendent of streets for four years. Nothing can alter that fact except a change in the law. The mayor's power has not been changed to include both functions of aldermen and mayor.

"The result of such instructions to the men in the street department cannot but have a devastatingly demoralizing effect on all the departments, on all the other officials and on all the citizens. Before matters become more grave and before too

much is taken for granted and whittled away, the aldermen had better examine the offices to which they were elected with their incumbent duties to carry out the duties of that office. Local democracy demands attention always, but the present situation calls for a closer look at the local picture of the government; to keep each branch of the government within its proper check and balance form until voted out.

"Let the citizens take note and inform their aldermen of their interest and desires and their concern."

Bronze or copper slabs weighing about 60 pounds and shaped in the form of an ox hide were used as money in the eastern Mediterranean from 1600 to 1000 B. C. Called talents, the pieces represented the value of an ox.

MORE ABOUT

Meyer Quits

(Continued from Page 1)

week and was of the opinion the parking restriction was needed to improve the movement of traffic in the city, not just one ward.

Objections Raised

Strong objections were raised by Second Ward Aldermen Samuel Whitmer and Edmund Bartosiak, who said residents of their ward wanted no part of the parking restriction but did want one-way traffic from 21st to 24th street.

Meyer said his constituents along Benton street also want one-way traffic from 24th to

27th street, but the committee had to consider the possibility of congestion at the 27th and Benton street intersection and problems which would arise on other streets because of a change in the traffic pattern.

With the mayor's vote against the committee recommendation, Meyer said the group "might as well be dissolved. We're wasting our time at hearings and meetings—time we could be devoting to problems in our own wards like the other aldermen are doing."

Bartosiak and Whitmer pointed out they knew of no one favoring one-side parking. Meyer replied that the council would have to decide if the streets were there for parking or for the movement of traffic. He added that the narrow streets with two-way traffic were hazardous and causing accidents and that by limiting parking to one side, there would be two

lanes for vehicles traveling in opposite directions.

Committee Recommendation

The committee recommendation was for parking on one side of the street, with the restriction to be changed each year—parking on the even-numbered side on even numbered years and on the odd-numbered side during odd-numbered years.

The streets set forth by the committee were Washington avenue from 29th street to Nameoki road; Iowa street from 22nd street to Nameoki road; Grand avenue from 24th to 30th street; State street from 23rd to 27th street; Edison, Delmar, Cleveland and Benton from 24th

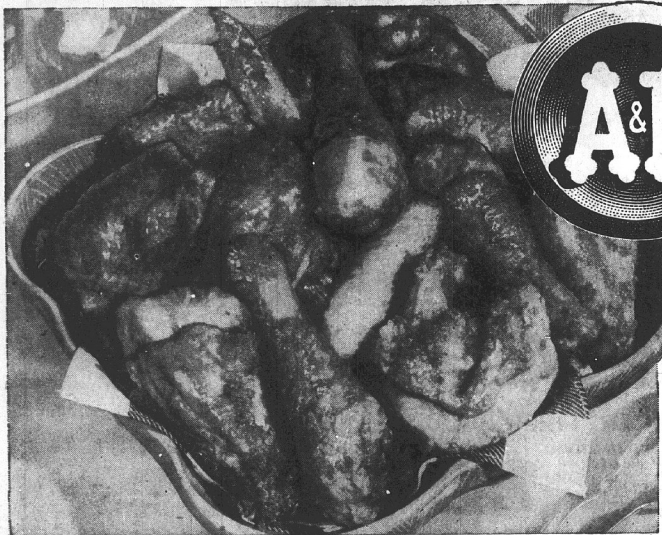

Granite City PRESS-RECORD

Thurs., Sept. 7, 1961 Page 17

to 27th street and the 2400 block of Adams street. Voting for the proposal were Aldermen Walter Nomm, Meyer, Estill, Von Schmittou, Steve Basarich, Arthur Wlezer and Samuel Shacksford. Against it were Aldermen Donald Partney, Paul Rutledge, Whitmer, Frank Vesce, Bartosiak and Ford Johnson and Mayor Davis.

The first professional baseball association, known as the National Association of Professional Base-Ball Players, was organized in 1871.

MRS. McFARLAND HOSTESS TO CLASS

Mrs. Opal McFarland was hostess to the Peppy class of the First Presbyterian Church, in her home, 1629 Second street, Tuesday evening, Mrs. McFarland, vice-president, presided over the business period in the absence of the president.

The members made plans to sell Christmas cards again this year. At the conclusion of the business meeting, a social time was enjoyed by Mrs. Clava Taylor, Mrs. Joyce Walker, Mrs. Ruth Nicholson, Mrs. Clara Lee, Mrs. Gladys Zentgraf, Mrs. Hazel Hinson, Miss Luella McCoid, Miss Dorothy Hinson and Miss Paul Noid.

Luncheon was served by the hostess to the members and two guests for the evening, Mrs. Emma Graves and Mrs. Dollie McFarland, sister and mother of the hostess, Miss Noid will entertain the group in her home for the February meeting.

The Wilma Weeks Girls Auxiliary of the Temple Baptist Church will hold weekly meetings at the church each Monday after school with the leader, Mrs. Edna Chamberlain. Several meetings were held during the summer months.

The Madison Ladies Democratic club will meet Monday evening for a regular monthly meeting. The usual meeting night occurred on Labor Day.

CECARIANVIEW PARSONAGE DEDICATION SERVICE

Cedar View General Baptist Church held a dedication service for its new parsonage Sunday, Sept. 2, 1951. Rev. Truman Collins gave the dedication message, and singing was led by Rev. R. L. Hester. Rev. Gus Falter of the Pontoon Chapel gave the invocation, and Rev. Ed Nichols gave prayer of dedication.

The benediction was given by Rev. William Sites, pastor of the Johnson road Assembly of God Church. Refreshments were served in the parsonage basement, and Rev. and Mrs. Black were presented with gifts they can use in their new home, which is located at 3723 Joyce avenue.

VISIT IN SOUTH

Mr. and Mrs. Thomas Martin, 4010 Breckenridge lane, returned Tuesday from a ten-day trip. They visited his brother and sister-in-law, Mr. and Mrs. Martin of Morgantown, Ky., and went with them on a tour of the south. The group visited the Smoky Mountains, Lookout Mountain, Rock City and Mammoth Cave.

The Cardinal baseball club has as guests at its game Tuesday night between the Cardinals and Cincinnati former major league players of the St. Louis area. Mr. and Mrs. George Bischoff, 4111 Lake drive, were included among the guests.

Mr. and Mrs. Charles Strackeljan and children, Carl and Alan, of Highland, Ill., visited his uncle and aunt, Mr. and Mrs. Charles Kennerly and children, Charlene and Eddie, Monday night.

Mr. and Mrs. Jack Harper and son, John, 3865 Lake street, returned Monday night after spending the weekend at Arcadia Lodge on Lake Killarney at Arcadia, Mo.

Mr. and Mrs. Earl Young entertained with a barbecue Monday. Others present were Mr. and Mrs. Jacob Gettleman and children, Alan and Sally.

CHURCH CIRCLE MEETS AT STURDIVANT HOME

Mrs. Elsie Sturdivant, 2222 Adams street, was hostess to the Ruth Ford circle of Second Baptist Church for a regular meeting Tuesday evening and also presided. The program, conducted by Mrs. Madeline Dacus, was entitled, "Stewards' Foundation."

Mrs. Naomi Roney portrayed a judge, Madeline Dacus, Penleton, Edith Wilson, Roxie Sadler and Aline Phillips were jurors, and Madeline Ruby Mayberry, Evelyn Smith, Dorothy Barnes, Dena Watson, Lena Stephens and Mrs. Dacus were witnesses.

Mrs. Sadler led prayer, and reports were given. It was decided to make a quilt for the Carmi children's home and to send sheets, pillowcases and blankets to the home. Mrs. Sturdivant was elected circle chairman, Mrs. Elsie Mitchell as co-chairman, Mrs. Dacus program chairman, Mrs. Stephens treasurer, Mrs. Smith secretary, Mrs. Mayberry committee chairman, Mrs. Crystal McMillan prayer chairman, Mrs. Barnes mission study chairman, Mrs. Pitchford chorale leader, Mrs. Roney stewardship chairman, Mrs. Penleton publicity chairman, Mrs. Louise Mitchell social chairman and Mrs. Roney publications chairman.

Mrs. Phillips gave the closing prayer. Mrs. Watson was served by the hostess.

JOINT SUNBEAM MEETING

Dick Miller Sunbeams and World Friend Sunbeams met Tuesday afternoon at Second Baptist Church for their first meeting of the month. A study of "Manana" was reviewed. On display were objects and pictures of Chile and Argentina, along with the flags of these countries.

Singing was held and Mrs. Lewis gave prayer for the sick. Using pictures to illustrate two stories, Mrs. Betty Lewis told of "Manana" of Chile and "El Cardo and Carlos" of Argentina. Prayers were given by Nancy Hawkins and Miss Lila Penrod.

A guessing game was enjoyed. The recall study for the next meeting will be on Indians.

Those present were: Corley Burnett, Frances Welby, Nancy Hawkins, David Freeman, Bobby McCord, Nicki Tooley, Dean Oliver, Becky Frith, Bruce Tooley, Susan Anderson and visitors, Tommy Freeman, Gail Lewis and Dwight Grizzard.

ENTERS HOSPITAL

Word has been received here that Darrel O. Smith will undergo a series of ear operations at the U. S. Naval Hospital in Philadelphia. He entered the hospital last week and is in Ward 2D. His parents are Mr. and Mrs. Ogle Smith, 2613 Cayuga street.

HOLIDAY VISIT

Mr. and Mrs. George Stone and daughter, Rose Marie, and son, Howard, left for their home in Jefferson City, Mo., after spending the Labor Day holiday with a brother-in-law and sister, Mr. and Mrs. Stewart LeMaster, 2238 Missouri avenue.

ATTEND REUNION

Mr. and Mrs. John Davis, Mrs. Edward Lane and Lester Davis attended a reunion of the Davis family Sunday at Dixon, Mo.

Episcopal Church Will Resume Regular Schedule

The church school at St. Bartholomew's Episcopal Church will resume classes Sunday at 9:30 a. m.

The teachers and officers are: Mrs. John H. Phillips and Miss Janet Jones, beginners; Mrs. Robert G. Butler, kindergarten; Mrs. Ralph Mayford, primary; Mrs. Edgar E. Votaw, junior; Robert G. Butler, intermediates; Mrs. David E. Nyberg, junior high; Edgar E. Votaw and Ralph Mayford, senior high; and Mrs. Mary Kesner, adults. Charles J. Mitchell is superintendent and Mrs. Mitchell is secretary. Mrs. Edward Harris will serve as a substitute teacher.

On the same day, the summer schedule of church services will end, and the regular schedule of Low Mass at 7:30 and Sung Mass at 10:30 will be resumed. A nursery will be provided for children during the 10:30 Mass.

The first meeting of the Episcopal Churchwomen will take place on Tuesday, Sept. 12, at 7:45 p. m. Mrs. Walter Harris will preside. A program booklet, outlining the programs for the year ahead will be ready for this meeting.

Hits Pole, Fence, Shrubs

An auto driven east on Market street, Venice, by Ed Montgomery, 1006A Logan street, swerved to avoid another auto at 7:25 p. m. Wednesday and struck a utility pole and a fence and shrubs in the yard of C. A. Burke, 1204 Market. Montgomery told Venice police the other car had turned onto Market from Madison avenue.

Know how to make celery cut? Cut the stalks (or maybe you call them ribs) in 3-to-4-inch pieces. Split each piece in thin strips to about an inch from the end. Allow to stand in icy water until the fine strips curl.

MISS KOELKER HONORED AT BRIDAL SHOWER

Miss Dorothy Koelker was complimented with a personal shower Tuesday evening at the American Legion home. Miss Koelker, a daughter of Mr. and Mrs. Harold Koelker, of Hampden street, will become the bride of Thomas Schiller of Granite City at St. Mark's Catholic Church, Venice, on Sept. 30. The shower was given by members of the bridal party, Misses Pat Wilkinson, Barbara Koelker, Virginia Koelker and Joann Blumenstock. Mrs. Geraldine Mender and Mrs. prospective bride's sister, Mrs. Kathy Heagy.

The room was decorated in a bridal theme, with white wedding bells throughout the hall. Games were played and prizes were awarded to the winners. A dessert luncheon was served to Misses Jeannette Gonterman, Sharon Crowley, Mary Dell Peay, Gloria Pence, Frances Manley, Teresa Bauer, Betty Jo Turner, Mary Jo, Helen Ann, Charlotte Koelker, Opal Hyden, Jennice Koelker, Patricia, Marie Shamro, Phyllis Smith and Anita Sveda, and Mesdames Nancy Johnson, Janet Cawley, Sandra Campbell and Judy Meehan, all of Venice; Miss Joan Stebbings of East St. Louis; Miss Marlene Schiller of Granite City; and Miss Beverly Blumenstock, Mrs. Rita Lyberger, Mrs. Arlene Jacobovich and Miss Diane Sellers, all of Madison.

The bride-to-be received many gifts.

HERE FROM CALIFORNIA

Mrs. Jessie Oehler, 219 Hampden street, and Mrs. Hazel Painter, 121 Granite street, returned home Wednesday after a week's visit with Mr. and Mrs. Harold Harmon of Park Forest, Ill. They were accompanied on the return trip by Mrs. Oehler's sister, Mrs. Sylvia Meyers of Los Angeles, Calif., who will spend some time visiting here.

PARENTS OF THIRD CHILD

Mr. and Mrs. Floyd Chappell, 123 Granite street, are announcing the birth of a daughter on Aug. 31 at St. Elizabeth Hospital. The baby weighed nine pounds, two ounces, and the name selected is Lori Jan. The new arrival has a sister, Gayle, and a brother, Timmy. Mrs. Chappell is the former Barbara Foley, daughter of Mr. and Mrs. Richard Foley of Lincoln avenue. The mother and daughter returned home from the hospital on Sunday.

RETURN FROM OHIO

Mr. and Mrs. Glen Sadler of the Venice Homes returned home Monday after spending the weekend in Lima, Ohio, where they were guests of Mr. Sadler's parents, Mr. and Mrs. Raymond Kidd.

HOLIDAY TRIP

Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, returned Tuesday from a trip, during which they visited in northern Indiana, Toledo, Ohio, and Coldwater, Mich.

Increase Last Month

In Nameoki Twp. Relief

An increase in relief cases in Nameoki township during August was reported today at the office of Supervisor Harry Briggs. Briggs reported 67 cases with 254 persons and costs of \$4741, as compared to 60 cases with 224 individuals and expenditures of \$5233 in July. In August 1950 there were 43 cases with 167 persons and costs of \$3240.

FLETCHERIZING

The term "to Fletcherize" stems from Horace Fletcher, who advocated chewing food for a somewhat fanatical length of time. He had a wide following at the turn of the century.

David Painter, son of Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, and David Weber, son of Mr. and Mrs. Edwin Weber, 329 Jefferson avenue, have returned for their junior year at Eastern Illinois University in Charleston, Ill.

Auto Hits Barricade

A northbound auto was towed away with front end damage at 9 p. m. Wednesday after striking a barricade on Madison avenue at 14th street. The driver, Frank Austin, 50, of 2650 East 27th street said he did not see the East St. Louis and Interurban Water Co. excavation in time to avoid the barricade.

\$10,000 Sewer Cleaning Job Voted Down By GC Council

An estimated \$10,000 cleaning job in the 78-108 inch main city sewer line extending south of 20th street through Granite City Street Co. property was rejected Tuesday night by city council members following a 20-minute recess to study the master sewer report.

The cleaning had been recommended by the city's engineering staff after three-foot of debris was found a month ago at the junction of the 20th street 61-inch and the 78-inch line at Iowa street.

W. A. Pearson of the engineering staff reported he had inspected the line for distance of 50 to 100 feet in either direction from 20th street and had found about three feet of sediment. He added that he had been denied permission to go further into the sewer line inside the street and more detailed inspection only when the plant was shut down and not discharging water into the line.

Council members first rejected by a 5-2 vote the master sewer report by Alderman Samuel Whitmer for the project to be referred to the Public Works committee for further study, and as the debate continued, a recess was called to permit study of the master sewer report on the line.

Nonn Favors Work
Urgency in cleaning the line while the sewer cleaning firm is in the city working on the 20th street trunk was stressed by Alderman Walter Nonn. However, the council was evenly divided on whether to refer the matter to committee, and the mayor cast the deciding vote at that phase of the issue.

Questioned by the opposition as to the need to clean several blocks of the sewer, several aldermen, employees of the city, said they recalled that a year ago a large hole appeared near the line and that the steel firm had installed a new line for its own service.

Following the recess, it was reported the master sewer survey, made last Christmas day when the plant was in operation, showed about a foot of debris in the sewer at 19th street, which was the middle of the proposed cleaning project to extend from 20th to 18th street.

7-2-6 Vote
The council voted on a motion to proceed with the project was 7-2-6 in favor of the work, but since the "yes" vote was a majority of elected aldermen, Mayor Davis declared it had lost. One alderman, Walter Nonn, during the 9:30-9:35 p.m. recess.

In urging approval, Nonn pointed out that the city's quibbles about spending nearly \$200,000 on Namek sewer line repairs. "This line," he said, "is the city's main sewer line. It goes out, many households will be without sewer service."

Entering the recess, Alderman Donald Partney said he saw no reason why the short distance with the sewer line of debris could not be cleaned, but did not believe the city should spend \$10,000 to clean a 78-108 inch trunk with only 3 inches of sediment.

Levee Board

(Continued from Page 1)

water it will allow a smaller treatment plant to handle the sewage load.

Hoescher told Lawrence Tol, board president, "We need all the help you can give us on this. The rest of it will have to be done by the city, and the sewage treatment plant will still be needed."

Study Needed
Tol said it is his personal desire to do as much as possible, but said he could make no definite commitments until a complete report on the levee district's financial condition is prepared. He said he wants to know the amount of work to be done and how much money is available before making any promises.

"As soon as we have all this information, we'll conduct a study of our taxing possibilities," he said, "we'll tell you exactly what we will do."

Hoescher asked when this would be, and Tol replied, "As soon as possible—it should be approved by the city council."

Board member Dan Costello said the project sounded good, but he was not sure the district should go along with it.

Tol agreed, and said he hoped the board could "go to it."

Hoescher said the present alternate plan resulted when Gov. Otto R. Jones, in a letter which would have allowed the levee district to finance a \$10-million project, had rejected previous plans to be abandoned.

The original plan would have been more adequate, he said, but the new plan for separation of sewage and storm water, which would be the most the city could afford at present, was rejected.

To Meet With Mayors
In other action, the board decided to call a meeting of the mayors of all municipalities within the district to discuss plans and the problems of pollution abatement.

The meeting was set for Oct. 5, and Tol said Chief Clerk Ben Day will call the mayors.

F. E. Wisley, an engineer with the Horner and Shiffrin firm which is presently serving as consulting engineers for the board, said he is making a study of the possibilities of combined sewage and storm water disposal in the district.

Wisley said the sewage study would be completed in several weeks, including the separation of sewage and storm water, which would be studied further. He noted that St. Louis has made an agreement with the city of St. Louis to study the possibilities of combined sewage and storm water disposal in the district.

He added that because of the complicated set-up in the entire area, various types of levees and ditches will have to be almost every city. "And you can't get agreement until the levee district is set up," he said.

Wisley said Mayor Fields of East St. Louis had assured him that he would be happy to see a study of possible combined action.

He said he would accept figures arrived at as a study. The engineer said the study will arrive at costs as objective as possible for presentation to the mayors.

Tax Funds Needed
Board member Thomas Hoescher said the city of St. Louis is legally entitled to a rate of interest on the bonds it issues. "We're just now getting money from St. Clair County," he said.

John J. Hoban, attorney for the board, said he will send letters to the city of St. Louis reminding them that it is their legal responsibility to turn tax money over directly to the levee district, and not to their respective counties.

The board approved an engineering committee report recommending the appointment of the firm of H. W. Lochner, Inc., of St. Louis, as consulting engineers. The report emphasized that Horner and Shiffrin, which is presently serving as consulting engineers for the board, should be paid for its work, but said the committee felt the work should be passed around. It also recommended that the city of St. Louis be given a 30-day release plan.

In other action, the board approved the Bank of Edmond as a source of tax anticipation bonds for the levee district.

The meeting adjourned after a 90-minute session.

Undergo Surgery
The following are recovering at St. Elizabeth Hospital from surgery which they underwent last week: Rose Gung, 1107 Kirkpatrick Homes; Jerline Curry, 1050 Market Street, Madison; Mary Jones, 1700 Broadway, Madison; Susan Briggs, 4265 Lake Drive; Louis Postawko, 1924 32nd Denver street; Lee Gozney, 4025 Edwardsville; and Richard Lachner, 4505 Kirkpatrick Homes.

Total capital outlay \$21,600, up \$750. red, with a total deficit of \$13,350.

Total building fund budget \$76,468, down \$2112. Estimated income—Estimated receipts in 1961-62 total \$603,422. In addition, there are cash balances of \$9579 in the educational fund, the already listed \$97,383 in the working cash fund, \$545 in the transportation fund, \$10,069 in the bond issue working cash fund, and \$3151 in the building fund. Estimated educational fund receipts expected are \$375,000 from taxes, \$33,935 in state aid, \$2076 for driver training, \$132 for physically handicapped students, \$2400 for speech, \$6851 for home economics, \$4600 for school lunches, \$386 under Title Five of the National Defense Act, \$15,000 from sale of school lunches and \$4600 from athletics. Deficit Expected—Lunch and athletic programs are expected to operate "in the red," with a total deficit of \$13,350.

State Charter Calls For 200 Shares Of Stock

A state charter issued recently by the secretary of state's office for Wilshire Manor, Inc., calls for issuance of 200 shares of stock at a value of \$100 each instead of the figure given in a recent item in the Press-Record. Officers of the real estate and construction firm are Everett G. Steele, Josephine I. Steele, William J. Steele and Mrs. J. Steele. 600 expected in these two categories. Other income is estimated at municipal retirement \$6200, transportation \$8536, working cash fund \$20,965, building bond issue fund \$76,468, bond issue working cash fund \$7700, and general building fund, \$71,880.

State Labor Support To Be Sought For Local Lake Park

Statewide support of the proposed state park development at Horseshoe Lake here will be sought at the Illinois AFL-CIO Labor convention to be held at Peoria in October, it was learned from Edwin Reiske, president of the Tri-Cities Trades & Labor Council. Reiske, who also is a member of the Horseshoe Lake State Park citizen commission, said the 63 delegates attending last night's meeting of the council at the Labor Temple voted unanimously to introduce a resolution at the convention, seeking support of all labor groups throughout the state. The convention opens Oct. 9. Legislation adopted this year by the General Assembly calling for an appropriation of \$3,500,000 for development of the local lake area was vetoed last month by Gov. Kerner, and Reiske explained the commission plans to seek all-out support for the program so that it will be re-introduced at the next legislative session. In other action last night, the delegates named Gilbert Sykes, a member of the Peoria chapter of Steelworkers Local 68, as proposed state judicial amendment division chairman for the month to lengthen tenures for forthcoming United Fund campaign. Sykes is a member of the UF board and is UF treasurer. Reiske said.

Hearing Set Oct. 5

A hearing has been set Oct. 5 for Ernest J. Bagl, 27, of 2216 Twenty-first street, who was charged at 7:25 p.m. Tuesday by police with speeding and driving while under the influence of liquor. He was arrested in the 2900 block of Madison avenue. He appeared before Police Magistrate Ganpanovic Jr. yesterday morning and was released on \$500 property bond.

Rep. Ralph T. Smith (R) of Alton appeared before the council and reported on activities of the last legislature and local attorney, George Moran, appeared before the executive committee to voice objections to a proposed state judicial amendment division chairman for the month to lengthen tenures for forthcoming United Fund campaign. Sykes is a member of the UF board and is UF treasurer. Reiske said.

Grandma called it the "Light Bill" but...

today it's the electric service bill. Before the dawn of the electrical living era, Grandma paid for electric light. Today less than one-fifth of the average electric bill is for lighting ... the rest pays for power. Power to run motors on your furnace, fans, refrigerator, freezer. Power to cook, sew, saw, vacuum, wash and dry, etc., etc. Of course your total electric bills are higher these days than in Grandma's day, but the cost of a kilowatt hour of electricity has stayed almost the same as it was 20 years ago. At Illinois Power, the more electricity you use in your home the lower the cost per kilowatt hour. Electric power for better living ... one item in your budget still priced like "in the good old days."

Roadside Cantaloupes Come From Poag, Not Pasadena

Those sweet-smelling cantaloupes which appear in this area at dozens of roadside stands every summer are not shipped in from California or Texas, as many city buyers believe.

They are as native to the Quad-Cities area as beans are to Boston, or as sodium chloride is to Salt Lake City. Most of the melons are produced by about 30 growers in the Poag area north of here and extending to Rockana.

"A lot of people don't realize the melons are grown so close to home," commented Charles C. Loesch, local melon grower. "But almost all those sold at roadside stands are home products."

Loesch, who this year planted 24 acres of cantaloupes and six acres of watermelons on his farm, still has thousands of perfectly good cantaloupes on the vines although he has been selling them at a fast clip since the season began late last month.

Melons Ripened By Rain
"This was a bad year for melons because of all the rain and hail," he explained. "They all got ripe at once, faster than we could pick them. We took in

seven or eight thousand one day recently."

Speculating that altogether about 150 acres around Poag are planted in cantaloupes and 10 or 12 types of watermelons are grown, some farmers continually experiment to produce new types of melons to "taste the taste" with different flavors—and out-sell competitors.

Loesch and his entire family help out on the melons, the first ripe watermelons are in the hands of the family since colonial days.

They were first grown commercially in this country about 1880, when the cantaloupe type was imported from Cantalupo, Italy.

Although Poag cantaloupes are just about gone this year, the first ripe watermelons are being taken from the fields.

WHICH WOULD YOU CHOOSE 101 ELECTRICAL APPLIANCES

It would be a tough decision wouldn't it? There are so many items on the market now . . . items that eliminate drudgery, save time for more important family, church and civic activities, and help make the home comfortable. We'll admit some folks can get along without an electric back scratcher and that the makers of electric scissors and peelers have a limited market. But even these off-beat items emphasize the fact that virtually every household task can be done electrically. What's more, electricity can do it economically. The average Granite City customer of Illinois Power pays only 30 cents

a day to operate his electrical work-covers. If servants were hired to do the same work, the yearly bill would be over thousands of dollars per home. Then there's the entertainment aspect provided by television, radio, stereo record players and the like. And you begin to appreciate the meaning of the word comfort when you enjoy electric air conditioning, healthier humidity, and the old reliable heat pad. Well, we could go on, but this should suffice to underscore our enthusiasm when we suggest you Live Better . . . Electrically.

HERE ARE THE "101 CONTEST" WINNERS

- 1st—Mrs. Roy Stuber, 2716 Myrtle Ave., G. C.
2nd—E. L. Zeller, 2601 Benton Ave., G. C.

Mechanical Brain To Aid Distance Dialing

A "mechanical" brain that goes into action at the spin of a telephone dial wheel is being installed in the telephone central office building in Granite City, it was reported today.

The machine plays an important part in direct distance dialing, the new service that will enable Quad-City telephone users with one and two-party non-coin service to dial many of their own long distance calls. Distance dialing is to begin here Oct. 15.

The equipment, called Automatic Message Accounting, is being installed as part of the \$319,000 program that will bring long distance dialing to the Quad-Cities this fall.

George Maize, manager for the Southwestern Bell Telephone Co., describes the "mechanical marvel" as follows:

"AMA is a hook-up of several accurate mechanical devices. It automatically records billing in-formation on all calls dialed to exchanges outside the local calling area."

Essential To New System

"The new system is one of the significant telephone developments ever introduced. Without it, direct distance dialing would not be possible."

Maize said telephone customers will be able to send AMA equipment into action merely by dialing any one of thousands of telephones that will be within reach by direct distance dialing.

"Its mechanical brain will include a tape-perforating machine to record billing information in the form of Braille-like symbols punched into a roll of paper," Maize added.

"The equipment records the telephone number that is dialed and the telephone number from which the long distance call is placed. It records the length of the call, from the time the other party answers until you hang up."

Birth of Daughter

Mr. and Mrs. Arthur Knuth of Litchfield are announcing the birth of a daughter Aug. 28 at the Litchfield Hospital. They have another child, a son, Matthew, Mrs. Knuth is the former Leah Rhea Williams of Mitchell.

Home From Vacation

Mr. and Mrs. Chester Wherry and children, Gerry and Chester Jr., returned Sunday from Table Rock, Mo., where they were on vacation for a week.

Ronald L. Lambie is serving with the Army at Fort Knox, Ky.

He formerly lived at Mitchell and his father was the late Alexander "Scottie" Lambie. His mother, Mrs. Bill Burton, resides at Woodson, Ill.

Miss Dorine DiGiacomo of New York was the guest of her brother and sister-in-law, Rev. and Mrs. John DiGiacomo, over the weekend.

BELLEMORE VILLAGE SHOPPING CENTER

REV. ROSS CARLTON, who has arrived Granite City with his family to assume his duties as pastor of the Central Free Methodist Church, 22nd and State streets.

New Central Methodist Pastor Assumes Duties

Rev. Ross Carlton, who has spent 22 years in the active ministry, has assumed his duties as pastor of the Central Free Methodist Church, 22nd and State streets, coming here from a four-year pastorate at Cowden, Ill.

The new pastor was appointed to the local church at the 83rd annual Central Illinois Conference held in Cowden last month. He succeeds Rev. Luther Bannister, who was appointed to a Decatur church.

Rev. Carlton began as a full-time minister in Kansas City, Mo. In 1949 he began conducting regular services in Quincy, using the front room of a rented house as a church. A congregation later was organized, and a church built.

In each of the six churches he has served there has been a strong emphasis on youth and children's work. Rev. Carlton serves as Sunday School Secretary for the conference, and is editor of the monthly conference publication, "The Central Illinois Booster."

Mrs. Lela Carlton, his wife, is the newly-elected president of the conference Women's Missionary Society for the coming year. She also serves as editor of the missions page in the conference paper.

Rev. and Mrs. Carlton moved into the church parsonage, 2164 Grand avenue, last week. They have three children, Gary, 18, a freshman at Greenville College; Virginia Sue, 15, a sophomore at Granite City high school, and nine-year-old Paul, a third grader at McKinley elementary school.

GAS HEAT HEADQUARTERS, TRI-CITY HEATING, GL. 2-3110.

Mr. and Mrs. Ed Little of Longview, Tex., accompanied Mrs. Frieda Brauer and her grandson of Granite City to their homes and then returned to Texas Sunday afternoon. Mrs. Brauer and James Gipson had traveled by bus to Texas to attend the wedding of Nancy Sue Little, Mrs. Brauer's granddaughter, who became the bride of John Joseph Thompson of 144 Bronx, New York City.

Miss Little, formerly of the Madison grade schools, is a graduate of the Pine Tree high school and of the Kilgore College in Texas, where she was a member of the Ranger Band, a Rangerette and a member of the San Soul society and BSU choir.

Thompson is a member of the basketball team at the University of Houston, where the couple will reside upon returning from a honeymoon spent in New Orleans.

Mr. and Mrs. Ed Little spent time visiting Little's mother, Mrs. Cora Little, and his brother-in-law and sister, Mr. and Mrs. Neud Williams and daughter, Joan, and Mr. and Mrs. Donald Williams, all of Madison. Time also was spent visiting Mr. and Mrs. James Gipson and children of Granite City, brother-in-law and sister of Mrs. Little.

Course Taught Here Added To SIU Program

A Southern Illinois University inductive and deductive logic course taught last year in local industrial plants will be offered this fall as an addition to the university's regular degree program in philosophy.

E. R. Casstevens, supervisor of SIU's Industrial and Technical Programs for the Southwestern Campus, said the course is designed for persons who in their work are subjected to pressures and conflicting arguments from many different factions. "It is the same course which has been taught successfully in the evening program at Granite City and in area industrial plants during the day," he said.

Alton classes will meet from 7 to 9:30 Monday evenings beginning Monday and running through Nov. 27 in room 107 of the Alton Senior high school's main building. East St. Louis classes will meet the same hours on Wednesday evenings Sept. 13 through Nov. 25 in Room 214 of the East St. Louis Residence Center.

With other Industrial Management courses offered at Alton, East St. Louis, and Granite City, the total number of courses in SIU's Industrial and Technical Program is 12.

Divorce Granted

A divorce on grounds of desertion was granted a Granite City plaintiff, Mrs. Virginia Campbell recently in the circuit court at Edwardsville. Four children are in custody of the court and in private homes—Robert, five, Michael, three and Kenneth and Keith, two. The couple married Oct. 24, 1934 and separated Dec. 9, 1939.

HOLIDAY TRIP

Mr. and Mrs. George Staggs and daughter, Daria, and Mr. and Mrs. Clyde Staggs spent the holiday weekend at Alley Springs, Mo., and also visited Big Springs at Van Buren, Mo.

FAMILY GATHERING

Mr. and Mrs. Delbert Pyle and sons, Butch and Randy, motored to Marquand, Mo., Sunday to attend a family get-together.

The home of an uncle and aunt, Mr. and Mrs. Jack Gipson.

Mrs. Shelby Dotson Gives Birth To Boy

A son was born last Thursday to the wife of one of the men killed in the Aug. 9 explosion at the Nestle Co. plant.

Mrs. Eva Fern Dotson named the 7 pound, 13 ounce baby Scott Shelby after his father, Shelby Dotson, who was 22. They had lived at 2439 Dewey avenue.

Mrs. Dotson, who relatives said is "doing well," is staying at her parent's home. Mr. and Mrs. Ray Watson, Alton, Mo. The child was born at a hospital in West Plains, Mo.

Make Your Car a

5-STAR PERFORMER

With New

Combines Anti-Ice, Anti-Rust and Detergent in All DERBY Gasolines at NO EXTRA COST!

FASTER STARTS IN COLD WEATHER

NO MORE STALLING

IMPROVED HORSEPOWER

INCREASED GAS MILEAGE

BETTER ACCELERATION

Derby STAR-TANE works wonders in the delicate fuel system of your car. It cleans carburetors and keeps them clean. It prevents icing. It stops corrosion. By doing these things, STAR-TANE eliminates most of the engine performance problems of day-to-day driving. Cars with clean fuel systems don't stall. They start faster, especially in cold weather when engines are stiff. They deliver more horsepower, accelerate faster, get more miles per gallon of gasoline... won't fall because of icing, even at sub-zero temperatures. Get maximum performance from your car, new or old. Get Derby gasoline... regular or premium... today. Both have STAR-TANE, and there's no extra cost.

Enthusiastic? Surprised? Excited? Sure, wouldn't you? State Farm has added new benefits for its careful-driving Illinois policyholders. State Farm policyholders are enthusiastic because these new benefits are in effect right now. They're only mildly surprised, however, because State Farm has added new benefits before without increasing rates. But, they're really excited, and you will be, too, about the benefits added to State Farm's coverage. The new Safeguards against Cancellation and Surcharges give written protection against cancellation due to accidents plus the assurance that State Farm's low rates will stay low (no surcharges as a penalty for accidents or traffic violations). And, there are five more additional benefits. Call me today or stop in for more information.

ENGAGED, Miss Margaret Ann Champion, bride-to-be of Richard Allen Dawdy Jr., whose parents reside at 3009 Edgewood drive. The announcement of the couple's betrothal is being made by the bride-elect's parents, Mr. and Mrs. Howard Champion, 2708 Edwards street.

Champion-Dawdy Engagement

Mr. and Mrs. Howard Champion, 2708 Edwards street, are announcing the engagement of their daughter, Miss Margaret Ann Champion, to Richard A. Dawdy Jr., son of Mr. and Mrs. Richard Dawdy Sr., 3008 Edgewood drive.

Miss Champion was graduated from the Madison high school this year and is presently attending a St. Louis secretarial training school. Her fiancé, a 1960 Grant City high school graduate, will attend Southern Illinois University this fall. He is employed by the Granite City Trust & Savings Bank.

Recuperates At Hospital
John Blason, husband of Mrs. Beulah Blason, 2627 Washington avenue, is recuperating at Jewish Hospital, St. Louis, after heart surgery last week. He is employed at the A. O. Smith Corp. plant.

MISS BEVERLY BERTACCHI, a daughter of Mr. and Mrs. Primo A. Bertacchi, 2503 Jarden avenue, whose engagement to Terrence R. Schremp, has been announced. The prospective bridegroom is a son of Mr. and Mrs. Raymond J. Schremp of Jacksonville, Ill. Plans are underway for a November wedding.

UPW Holds First Meeting Of New Fall Season

The first fall meeting of the United Presbyterian Women of First United Presbyterian Church was held Tuesday evening at the church, 22nd street and Delmar avenue, preceded by a covered dish supper at 6:15. Thirty-one were present, including two guests, Mrs. Bryden McMurtrie of Sparta, Ill. and Mrs. Ella Lesman.

The meeting opened with a hymn. Mrs. Walter Kersch accompanied at the piano, followed by the business discussion led by the president, Mrs. George Holtzsch.

Reports of the secretary and treasurer were given by Mrs. Walter Coolidge and Mrs. R. N. Johnson, and the program chairman, Mrs. W. G. Cooley, presented plans for a fall retreat Oct. 10 at the church. Announcement also was made of a morning study period to be held Oct. 31 at the church when the book to be studied will be "Africa Disturbed."

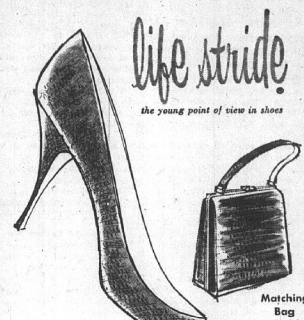

Devotions on the topic, "Unity of Purpose," were given by Mrs. David H. Thomas, and the remainder of the program consisted of an audio-visual report by Mrs. Holtzsch and Mrs. J. W. Seneff of the national convention of UPW which they attended at Purdue University in Indiana during the summer. The meeting closed with prayer by the president.

Remarkably practical

Your investment in a Cadillac returns many dividends over and above the finest motoring the world has ever known. Cadillac's favorable first cost, surprisingly close to many models of lesser cars, is very nearly your last... for no car is more economical in its maintenance

needs. And its precise craftsmanship and enduring styling have traditionally commanded a premium in resale markets across the land. Visit your authorized dealer and discover the practicality of owning a Cadillac... and why this is a practical time to buy.

SIU Says GC Should Establish More Control On Purchasing

(This is the 24th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

A recommendation for the city of Granite City to study the need for a purchasing system, putting more control of purchases in the hands of the controller, is included in the governmental report prepared for the city by SIU.

"No formal purchasing procedure has been developed in Granite City," the report points out. "Most minor purchases are made by the department head or an employee, while larger purchases are made by the controller who serves as purchasing agent after authorization by the council."

"Bids are solicited through advertisements in newspapers. Copies of the specifications are available at the controller's office for interested bidders, and bids are presented on the bidder's letterhead or form."

"The only purchasing form used by the city is the purchase order. The forms are numbered in sequence (not prenumbered). A copy is sent to the vendor and other copies are retained in the controller's office. After delivery, and preparation of a check, one of the controller's copies is marked 'payment here-with,' and is sent to the vendor with a check."

DAV Forget-Me-Not Drive Sept. 18-23

The annual Forget-Me-Not drive for Disabled American veterans will be conducted locally and nationally Sept. 18 to 23, it was announced today.

The paper flowers, prepared by disabled veterans, are given to all who contribute any amount to the drive and may be worn in the lapel. About 10 workers will participate from DAV Quad-Cities Chapter 53.

Commander Arthur Polite, of the local chapter, said all funds collected here will be used for service and welfare work in the community.

Family night for DAV members and friends will be observed at the club room Saturday, Sept. 23, with music and entertainment provided.

Independent Audit Of County Records Begins

C. J. Schlosser and Co., certified public accounting firm, this week is beginning an independent audit of all Madison county funds, under a contract awarded at the County Board of Supervisors' June meeting. Covering a two-year period ending July 31, the work will cost an estimated \$420.

County Auditor John L. Kravink and the county board's finance committee are hopeful that the audit will lead to recommendations on greater efficiency and economies in operation of the county government. A representative of the firm attended meetings of the auditor and committee in recent weeks during drafting of a five-month county budget for the period of Aug. 1 to Dec. 31, 1961.

Action Night Program At First Baptist Church

Announcement has been made of an "Action Night" program to be held by the Madison County Baptist Association next Tuesday at 7:30 p. m. at First Baptist Church, 21st street and Delmar avenue.

The theme of the program will be "Spearhead For Advance" and there will be special music followed by the Scripture and prayer by Rev. George Sagen, pastor of the host church, short addresses by the preliminary speakers emphasizing the Sunday school theme and a message by Russell Noel, educational director at Tower Grove Baptist Church in St. Louis, and the benediction by Rev. W. J. Richardson, of this city, superintendent of Missions.

Study Needed
"Study should be given to instituting a purchasing system with more control of all purchases in the hands of the controller. Fewer informal purchases should be allowed and those that are necessary should be made only at certain vendors under blanket purchase orders for the month. Signed tickets should be returned for all such purchases. This would give better control of these necessary emergency purchases."

"Written requisitions for supplies, giving details such as catalog number, type, number required, should be forwarded to the controller by the department head. Such information is now given by telephone with the possibility for error."

"A receiving report should be sent to the controller indicating that the goods or services have been received in good condition or properly performed before payment is made. A set of forms requiring only one typing can be prepared to handle these procedural changes."

"The purchasing procedures should be adopted by the council as an administrative regulation."

Purchase Restriction
"No purchases should be made by the controller except those specifically permitted in the budget without council authorization. All routine purchases of approved items should be on requisition of the department head. Any large item should be put out for bids from specifications developed by the department head and the controller."

Selling Your Home? CALL REINHARDT

ment head and the controller.
"The controller should ascertain the city's needs during the year for bulk items such as gasoline, coal, office supplies, vehicle tires and other materials needed by several departments. These can be ordered for delivery as needed during the year at a price determined by competitive bids at the start of the fiscal year."

"A five-part purchase order form should be designed to meet purchasing needs of the city. After approval of the purchase, the information is typed once. The original goes to the vendor."

One copy goes to the open purchase file and then to the commodity file when the purchase has been closed.
"A copy goes to the vendor file and two to the requisitioning department, one of which is kept for their records. The other is returned to the purchasing agent as a receiving report certifying that the ordered services had been properly performed."

"Such a procedure will not only provide better control of purchases, but also will provide the controller with more information for purchasing, budgeting and reporting uses."

Plant Sale Here Factor In Celotex Income Drop

Sale of its Madison roofing plant is considered partly responsible for the Celotex Corporation's drop in sales volume. President Henry W. Collins told stockholders this week in a report on the nine-month period ended July 31. Purchases for the latter included \$44,779,176, compared to \$49,324,120 in a similar period the previous year, and a net income after taxes declined from \$1,330,090 to \$817,702, the latter including \$649,420 in non-recurring gains and \$168,282 from operations. Both the local and Cleveland, Ohio, plants were sold in line with Celotex's decision to discontinue sale of asphalt roofing products in the Midwest.

Citing the plant sales and decrease in housing starts, Collins said, "Profits suffered accordingly and were further reduced because of severely depressed prices in insulation products, our principal line, and because of continuing production problems at our new L'Anse-au-Loup plant." A negotiated settlement of long litigation following acquisition of forest properties in upper Michigan was concluded in the third quarter, resulting in a "substantial loss," but the firm is now engaged in forestry operations on the property.

Many Hard of Hearing Can Hear Tomorrow

With our Quine drops used with a simple syringe, if you are deafened, bothered by ringing, hearing hard noises due to hardening or congested ears, tomorrow, try the Quine Method. Test that as many ears as possible. There is hope for you. You must hear better after testing this simple test or we will refund your money back of cost.

Registration Tonight For SIU Industrial Courses

Final chance for enrolling in Southern Illinois University's Industrial Management courses to be taught in Granite City this fall is tonight, when registration will be conducted from 7 to 8:30 in Room 105 at Granite City high school. Classes will begin Monday night and end the week of Nov. 27.

Seven courses will be offered here, each meeting one night a week from 7 to 8:30. Completion of eight courses, including five specific required ones, entitles the participant to the two-year Industrial Management Certificate. No prescribed period of time is set for their completion.

Non-veterans should be prepared to pay the tuition fee at registration time, and a sound course requires a textbook purchase. Veterans who were inducted into service while residents of Illinois may present a photostatic copy of separation papers and make application for a four-year Illinois Military Scholarship which covers tuition costs.

Began in 1956
The Industrial Management Program was started in 1956 by SIU's Division of Technical and Adult Education, in co-operation with the East Side Manufacturers' Association in Granite City. The program has been adjusted to meet the specific needs of the area, according to E. R. Casstevens, supervisor of industrial and technical programs for the SIU Southwest Campus.

and courses are designed to give present and future foremen and supervisors a more complete background of information with which to make on-the-job decisions.

Four of the five courses required for the two-year certificate are among those offered here this fall. They are Effective Speaking for Supervisors, which meets on Monday night; Industrial Report Writing, meeting Tuesday; Practical Psychology for Supervisors I, meeting Wednesday; and The Supervisor and His Job, which meets each Thursday.

Other courses offered are Reading Improvement, which meets on Monday; and Cost Control for Foremen, which meets Tuesday nights.

Tuition And Costs
Tuition is \$18 for each course, with the exception of Reading Improvement, which will cost \$14.40. Textbook costs range from \$2 to \$7.75. The Effective Management course has no textbook.

Instructors scheduled to teach the local courses are William C. Westberg, SIU professor of psychology; William J. Randle, production manager for the Alton Box Board Co.; George Ferguson, sales order coordinator for Dow Metal Products Co.; and Aldo E. Schnack, principal, Trinity Lutheran School, Edwardsville.

Harold N. Hertenstein, supervisor of plans and programs for McDonnell Aircraft Corp., St. Louis; Paul H. Kelly, general supervisor of labor relations and employment for the A. O. Smith Corp.; and Sylvester J. Gola, maintenance supervisor, Socony Mobile Oil Co., East St. Louis.

CHURCH RALLY DAY, DISPLAY OF BIBLES

"Rally Day" will be observed in the Sunday School of the Venetian Church on Sunday, Sept. 17, at 9:30 a.m. An exhibit, "The Bible Around the World," will be on display in the foyer.

The church band will play under the direction of Mrs. Craig Dillman.

This will be the third Sunday of a "red and blue" attendance contest. Henry Billrey is the Sunday School superintendent and Craig E. Dillman is pastor of the church.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

NEW AUXILIARY OFFICERS of American Legion Unit 113 are shown at their public installation. Pictured (left to right) in the front row are Mrs. Lucile Cooper, installing officer; Mrs. Dolores Penno, senior vice-president; Mrs. Kitty Morris, president; Mrs. Mildred Rees, junior vice-president; and Mrs. Dorothy McCain, sergeant-at-arms. Those in the back row (from the left) are Mrs. Helen Qualls, treasurer; Mrs. Mary Batson, retiring president; Mrs. Melba Wade, historian; Mrs. Carmen Toth, secretary; and Mrs. Loretta Goeller (partially hidden), installing sergeant-at-arms.

Eleven veteran representatives from the local office of the Metropolitan Life Insurance Co., 1913 Edison avenue, are expected to attend the annual business meeting and luncheon of the firm's Veterans Association at the Coronado Hotel, St. Louis, next Wednesday.

Invited from Granite City are John D. Lentz, manager, 3135 Gehring road; Miss Verla Krotz, 2608 Benton street; Frank S. Zenk, 2014 Lakewood avenue; Muri E. Anderson, 2512 Delmar avenue; and Gregor I. Sido (retired), 2441 Iowa street.

Also invited from the local office are Arthur Gray, Collinsville; Robert L. Brumme, and Ralph A. Irving, Edwardsville; Miss Harriette R. House (retired), 2441 Iowa street; East St. Louis; and George Baner, retired, Naylor.

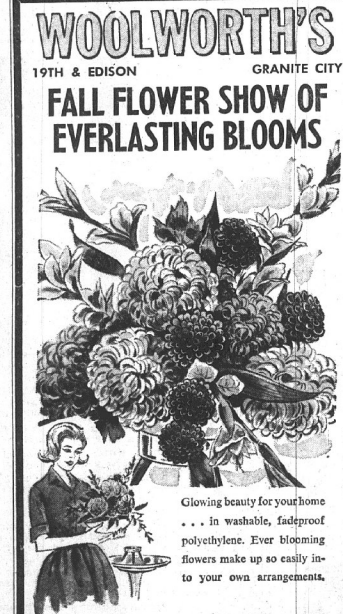

Another Granite City resident invited is James McGee, 2933 Washington avenue, retired representative of the Quincey office. Membership in the association is limited to persons employed by the company for at least 20 years.

Speakers will include Wilbur W. Harrison, superintendent of agencies for the Midwestern territory.

A 14th century covered bridge in Lucerne, Switzerland, is an art gallery, sheltering 122 triangular panels painted about 1600.

Burt Harris.

Auditions Next Week For St. Louis Bach Chorus

Auditions for openings in the Bach Festival Chorus, conducted by Director William Heyne, will be held from 7 to 8 p.m. Monday and Tuesday at the headquarters of the Bach Society of St. Louis, 4746 McPherson avenue.

Male and female singers 17 to 30 years old are eligible and previous vocal training is not necessary, although some sight reading is required; the Society has announced. Following the auditions, the chorus will begin practicing for its annual concert.

Mrs. Schunke Was Sister Of Mrs. Theresa Wiggins
In Tuesday's issue, Mrs. Lena Schunke, who died last week in an East St. Louis hospital, was incorrectly identified as the mother of Mrs. Theresa Wiggins of Granite City.

Mrs. Schunke, of Collinsville, and Mrs. Wiggins were sisters. The Press-Record regrets the error.

Council Oks Animal Shelter Board

Appointments to the Granite
City Animal Shelter board were
approved by city council mem-
bers as submitted by Mayor Ed-
wards at Tuesday night's meet-
ing. The board will be nonpartisan
board with terms to run from
Sept. 5 to April 30, 1962. Were
Paul Bent, Alderman Donald Par-
ney, Mrs. R. E. Chapman, Miss
Lucille Macleod, Mrs. Harriet
Juda, Mrs. Marvel Walker, Mrs.
Rosemary Meyer, Mrs. Anita
Edmondson and Mrs. Margaret
Henderson.

Schools Seeking Bids

Bids are being sought by the
Granite City school district on
fuel oil, school letters and in-
signia, candy, potato products,
canned goods, meat, fresh fruits
and vegetables, fish, sugar, salt,
cornstarch, cleaning of lights
and furnishing of athletic equip-
ment for basketball and wrest-
ling teams. Deadline on receipt
of bids will be 4:30 p.m. Tues-
day, Sept. 12.</

Women Voters Meeting
Granite City's Provisional League of Women Voters will meet Monday at 7:30 p.m. in the Wesley Hall of the Niederrhine Methodist Church. Mrs. J. W. Senoff, president, said the public is invited to attend.

Granite City PRESS-RECORD
Page 36 Thurs., Sept. 7, 1961

No City License
Arrested for not having a city license at 10 p.m. Tuesday at 22nd street and Madison avenue was Dennis H. Whitworth, 19, of 2719 Buxton avenue. He posted his driver's license as bond.

Working Cash Fund Tapped

Disbursements of \$118,862 Include \$54,206 Sewer Bill

Bills and half-month salaries totaling \$118,862 were approved Tuesday night by Granite City council members. The amount included \$78,688 for current bills, \$34,833 half-month salaries for city employees, \$881 for town fund purposes and \$3430 for township relief.

Largest item on the bill list was payment of \$54,206 to the Indiana Gunite & Construction Co. for repairs to the 20th street sewer line, which is nearing completion.

Alderman Paul Rutledge, chairman of the Finance committee, called attention that the payment was made from the city's working cash fund, a reserve fund built up over the years to eliminate the need of interest-bearing tax anticipation warrants.

Sales Tax Depleted
Rutledge said the city's sales tax reserve now is depleted because of high costs of sewer repair projects and that the expenditure from the working cash fund is the first in several years.

Among items on the bill list were expenditures of \$1063 for maintenance and fuel for city vehicles and equipment; \$1207 paid to East St. Louis & Interior Water Co. for rental on 330 fire hydrants; \$1290 to Illinois Power Co. for street lighting and electric service to city buildings; \$2970 to the Illinois Municipal Retirement Fund as the city's share for August; \$174 for materials for the new animal shelter; \$500 to A. H. Seebold Co. for installation of 39 feet of street vent pipe, sidewalk replacement and sealing of manhole lids.

Other payments were \$3702 to Miami Concrete Co. for curb and sidewalk installation during August; \$8828 to B. E. Hohl, Inc. for a new sanitation department truck; \$385 to Leo Kamadulski for cutting weeds on 130 lots; and \$175 to Massimo & Sanders for a representative to travel here from New York on a conference on municipal job evaluations and establishments of a proper salary scale for city employees.

Fees and allowances on the bill list were \$416 retainer fee for August to City Engineer David J. Johnston; \$301 to Civil Defense Director George W. Schumacher for attendance at the Western Instructors Training Center, Alameda, Calif., and the National Council of U. S. CIVIL Defense Council at Los Angeles; \$138 to Mayor Davis for expenses during August; \$20 monthly allowance for Aid-erwoman Mrs. Gabrielle Betinco.

SIU Professor Is Tax Conference Delegate
A Southern Illinois University economics professor, Dr. Leo Cohen, has been named Illinois delegate to a national conference on taxation in Seattle, Washington, this week.

In a communication naming him to represent Illinois at the conference sponsored by the National Tax Association, Gov. Otto Kerner told Cohen that the delegate of revenue had suggested Cohen, a member of the SIU Business Division in East St. Louis, lives in Belleville.

Local VFW, Auxiliary Members Attend Meet
Six members of local Post 1300 of the Veterans of Foreign Wars and Auxiliary will attend meetings of the Illinois Department, District 12, in Hillsboro this weekend.

They are Post 1300 Commander and Mrs. Joseph Steele, Mr. and Mrs. Harvey House, and Mr. and Mrs. Charles Schefke. House is senior vice-commander of District 12, and Mrs. Schefke is president of the local Auxiliary.

The weekend meeting will consist of a staff dinner at 7:30 p.m. Saturday, followed by a staff dinner and a joint dinner meeting at 11:30 a.m. Sunday.

Featured speakers of the weekend are Department of Illinois Vice-commander Harold W. Hill, Kewanee, and Illinois State Police Sergeant Schaeffer, a member of the Traffic Safety Section.

Regional Scout Meeting
The executive staff of the Can-ada Scout Council, Boy Scouts of America, will be at Green Lake, Wis., from next Monday through Friday, Sept. 15, to attend a regional training conference for professional scouts. Eugene Coe is council executive and Dan Brown is Oak-wash district executive.

Local Pastors Serving At Bible Institute

Rev. Arvin Twilmeier, pastor of Concordia Lutheran Church, 23rd street and Grand avenue, is a member of the planning committee for the tenth annual Bible Institute sponsored by the Alton, Collinsville and Worden circuits of the Lutheran Churches of the Missouri Synod Sunday School Association beginning Sept. 15 at Holy Cross Lutheran school in Collinsville.

Classes will be held every Wednesday through Nov. 1 from 8 until 10 p.m. Rev. Samuel Boda, pastor of St. John Lutheran Church will be one of the instructors.

Enrollees may choose two courses from a total of nine. Each class period will be one hour. Long A. Sunday School Teachers Training course is again being offered as well as a special course for teenagers. An innovation this year is a course for pastors and day school teachers only.

Eight of the instructors are new this year. Included in the curriculum are: "The Early Christian Centuries"; "The Old Testament Background of the Life of Jesus"; "American Churches-Beliefs and Practices"; "James Christian Love as a Way"; "The Augsburg Confession"; "Personal Dynamics of Family Life"; and "Adventures in Parenthood."

Nameoki Sewer Fund Reports On Display

Financial reports for the seven years accounts for the Nameoki sanitary sewer system were submitted to Granite City council members Tuesday evening by County Commissioner John Doehrer, who pointed out that three \$1060 bonds had been retired during August. The reports are to be on public display in the comptroller's office.

A breakdown of the reports, showing receipts, disbursements and Aug. 31 balances in that order, follows:

Nameoki area construction fund—\$1,419,654; \$1,403,149 and \$15,505.

Nameoki area sewerage fund—\$294,900; \$410,227 and \$184,673.

Nameoki area sewers reserve fund—\$67,236; none and \$67,236.

Area 2 construction fund—\$403,837; \$392,824 and \$63,429.

Area 2 sewerage fund—\$136,785; \$73,556 and \$63,429.

Special sewer construction fund—\$82,582; \$84,900 and Sewer expansion fund—\$83,744; \$42,905 and \$40,839.

County Republicans To Honor Dirksen Sept. 28

State Rep. George T. Wilkins (D), the state's chief school official, will not be the only official honored in Madison county during the pre-campaign period. A "Dirksen Day" dinner honoring U. S. Senator Everett McKinley Dirksen (R), senior Illinois senator, will be held at 6:30 p.m. Thursday, Sept. 28, in the new ballroom of the Mineral Springs Hotel, Alton, under sponsorship of the Alton Federated Women's Republican club and the Madison county Republican central committee.

A testimonial dinner planned for Saturday night, Oct. 28, in Edwardsville, is expected to touch off Wilkins' campaign for re-election. Formerly of Madison and Granite City, once the Madison school district superintendent and formerly the Madison county superintendent of schools, he was elected to a four-year term in the state office in November 1958.

Drugs Topic Of Nurse Program At Hospital

"The Drugs of Today" will be discussed by Sister Mary Benedict at 7 p.m. today at St. Elizabeth Hospital as part of the "continuing education program" for nurses.

The two-hour program is offered without charge for all registered or practical nurses in this area.
